Program or Event: State Bar of Wisconsin 2010 Annual Convention

Program or Event Date: May 5-7, 2010

As an author of materials to be presented at the program or event listed above, I grant to the State Bar of Wisconsin (SBW) the right to reproduce, adapt, publish, distribute, and sell all or part of the written materials I submit for this program or event royalty-free by executing this release. I understand and agree that reproduction may be an electronic media, or in any other medium now known or later developed.

I understand that I retain the ownership of the copyright to the written materials of which I am the author for my own use, but by submitting these materials I am granting to the SBW a perpetual, limited license to use them in the manner detailed in this release.

I grant to the SBW the right to use my name, biographical information, and likeness in connection with the program or event in any media, including for the purposes of publicity and promotion.

I also grant to the SBW the right to record my person and presentation, including any question-and-answer period, on videotape, audiotape, digital media or any other medium now known or later developed. I further grant to the SBW the right to reproduce, adapt, broadcast, publish, distribute, and sell all or part of such presentation in both print and electronic media, and any other medium now known or later developed in any product of the SBW. However, I understand that the SBW will not allow others to make commercial use of my materials without my permission.

I understand that the SBW expects its presenters to respect the proprietary rights of others, just as I expect my own rights to be respected. Accordingly, in submitting materials for this program or event, I agree that I have created and own all of the materials I submit and that they are free of any copyright claim by others, except for those portions that may be in the public domain, or are the work of others for which I have permission to use and in which I have the authority to grant a license for their use (and will provide proof of this upon request), and that the materials may be used for the purposes set out in this release.

In the event that the program or event involves multiple sessions, I understand and agree that this release shall be effective for any and all sessions in which I participate and that this single release will be sufficient to release my rights for each and every session as though I signed a separate release for each session or program in which I participate or to which I make a contribution. I understand that the SBW is under no obligation to publish my materials or to allow me to present them.
