A message from the Legal Assistance Clinic:

Hello everyone,

It has been discussed how we have noticed that a substantial number of our clients only need assistance with filling out paperwork, especially for family law matters. We thought, with this realization in mind, that to better meet the needs of our clients we could add a 4th clinic session to each month that would be exclusively for assisting clients with paperwork.

In order to do this, we must ensure that we have a sizable pool of volunteer paralegals who would be willing to help us out. If you could please talk to your paralegals about this and spread the word, we would greatly appreciate it. Right now we are simply trying to gauge the interest level in adding another night to our monthly rotation. We would have it in Oshkosh on the 4th Tuesday of each month from 4-6 pm.

If you could let us know if you have anyone that would be interested in doing this, that would be great. We will also be contacting the paralegal program at Fox Valley Tech to see if they are interested. If you have any questions, please feel free to ask.

Thank you,
Kyla Karcz
