**Re:** NRLD AMC Scholarship Request

---

I am requesting a scholarship from the Nonresident Lawyers Division of the State Bar of Wisconsin for the 2025 Annual Meeting and Conference registration fee. I understand that this CLE Scholarship Request is for prospective funding and not for reimbursement of a conference that I have already attended. I understand that the CLE scholarships are intended to only cover tuition for the AMC that are otherwise not covered by my employer. I agree to submit an article for the Division's publication promptly upon the completion of the conference or to be interviewed about my experience at the AMC. I also agree that I will inform the Division as soon as practicable if I am unable to attend the conference for any reason. I understand that this request is for a needs-based scholarship available to current division members for whom this out-of-pocket expense for AMC registration would pose a financial challenge.

1. Brief description of your practice and how this program will help your practice:

2. Other funding sources (scholarship, employer, etc.):

3. Have you received Division funding in the past? Yes No ☐

If so, when and what amount?
