RULE 1: PUBLICATION AND REVISION OF CIRCUIT COURT RULES

100 Revised Effective date: February 4, 2002.

101 Pursuant to §753.35, Wis. Stats., the Circuit Court of Marinette County may adopt and amend rules governing practice in court that are consistent with rules adopted under §751.12, Wis. Stats., and other statutes relating to pleading practice and procedure. These rules supersede existing rules and practices.

102 Court rules, prior to adoption or revision, shall be presented at two (2) successive meetings of the Marinette County Circuit judges. This requirement and Rule 103 may be suspended for good cause upon the order of the Marinette County Circuit Judges.

103 Proposed rules shall be posted for public review in the County Courthouse by the Clerk of Circuit Court and copies shall be forwarded to the secretary of the Marinette County Bar Association at least thirty days prior to formal adoption.

104 Notice of proposed rules as described in Rule 102 and 103 shall constitute sufficient public notice.

105 Rules shall be adopted by written order of the Marinette County Circuit Judges subject to approval of the Chief Judge. Orders adopting rules shall specify an effective date.

106 Once adopted, court rules shall be filed with the Clerk of Circuit Court, and the Clerk of Circuit Court shall provide copies to the secretary of the Marinette County Bar Association, the court administrator for the Eighth Judicial District, the State Bar of Wisconsin, the State Law Library and the office of the Director of State Courts. The Clerk of Circuit Court shall print and make available to the public, at cost, all rules adopted or amended under this section.

107 In an emergency, the assigned circuit judge may order modifications to these rules to assist in the efficient administration of justice.

108 A person may submit to the court written comments on a rule for the court's consideration in determining whether revision of the rule is needed.

RULE 2: GENERAL PROVISIONS

200 Effective date: August 1, 1996.

201 Closure of Proceedings. Unless good cause has been shown to the judge, a party moving that any judicial proceedings, required by law to be public, be closed to the news media, must notify the court and the media coordinator of the Eighth Judicial Administrative District in writing at least 72 hours prior to the time set to hear the motion. The purpose of this rule is to permit legal counsel to appear on behalf of the media and be heard. The burden shall be upon the moving party to show cause why the proceedings should not be public as required by statute.

202 All papers, pleadings, motions, etc., shall be on substantial paper, contain the case number assigned and designate in the caption, the branch of circuit court assigned to the case. Where appropriate, only approved forms shall be used.

All papers, pleadings, motions, briefs, etc. must conform to the following specifications:

(a) Produced by duplicating or copying process that produces a clear, black image of the original on white paper.

(b) Produced on 8-1/2 by 11 inch paper.

(c) A one inch margin on the left side and a one inch margin on all other sides.(d)

Minimum 12 point body text, 11 point for quotes and footnotes.

The Clerk of Court shall receive all filings of pleadings regardless of the assigned judge. All pleadings should be addressed to the Clerk of Courts for filing. The judge may require parties filing the papers to forward copies of documents to the assigned judge whether or not he/she is located outside the county.

The Clerk of Circuit Court and the Register in Probate shall refuse to accept for filing any document not in compliance with this rule and the appropriate state statutes. Parties are to include both the State Bar Code and the appropriate case classification on all pleadings filed with the court.

202A The e-filing rules which have promulgated by the Director of State Courts and approved by the Supreme Court shall apply with respect to any filing in the Circuit Court. To the extent that there is a conflict between the e-filing rules and these rules, the e-filing rules shall apply.

202A 1 A party seeking an Order, whether it be by Petition, Motion or other ways, shall electronically file the same and simultaneously shall electronically file a Proposed Order in conformance with that motion. No party should expect the Court to review any such requests that is not accompanied by the Proposed Order.

203 No Circuit Court files shall be removed from the Marinette County Courthouse without an order of a Circuit Judge.

204 In all actions, except felony and misdemeanor proceedings, in which a party seeks waiver of costs and fees due to indigency, a Petition for Waiver of Fees/Costs, Affidavit of Indigency and Order must be completed for review by the court. The final decision on waiver will be at the discretion of the court. [Petition for Waiver of Fees/Costs-Affidavit of Indigency and Order available at Clerk of Court office.]

205 When counsel submits a document to the court for signature, a copy shall be simultaneously forwarded to all other counsel and/or unrepresented parties. Objections to the form or content of the document submitted shall be filed in writing with the court within 5 days of service or mailing. Failure to file written objections shall be deemed a waiver of objections. The document will be deemed signed unless objections have been filed.

206 There is hereby delegated to the Clerk of Courts, the Deputy Clerks of Courts and the Judicial Assistants, the following ministerial and clerical duties: calendaring traffic regulations/crimes, civil, small claims, ordinance and family cases for trial; and, to administer oaths to witnesses, jurors and bailiffs and such other duties as designated by the Court.

207 The non-refundable jury fee is payable at or before the scheduling or pretrial conference, whichever comes first.

208 Guardian ad litem shall not incur any expenses for experts, either as a witness or as a consultant, without prior approval of the assigned judge.

209 Counsel should use good judgment in subpoenaing witnesses to appear in court. Counsel should respect the time necessary in order to select a jury and not have witnesses waiting inordinately for their opportunity to testify.

210 Only active members of the state bar of Wisconsin may practice law in Marinette county courts. A Marinette County Circuit Judge may, by written motion, permit nonresident counsel to appear in his or her court with an active member of the state bar of Wisconsin who must also appear and participate in that particular action or proceeding. Permission to the non-resident lawyer may be withdrawn by the judge granting it if the lawyer by his or her conduct manifests incompetency to represent a client in a Wisconsin court or by his or her unwillingness to abide by the rules of professional conduct for attorneys and the rules of decorum of the court.

211 All exhibits must be marked prior to any court hearing. Counsel/parties maintain the responsibility to coordinate this marking with the Clerk of Courts and shall be prepared to provide a description of each exhibit to the Clerk at the time of marking.

212 The judges of Marinette County may, with or without a motion being filed, upon determining that an action or proceeding is an appropriate one in which to invoke a settlement alternative under §802.12, Wis. Stats., order the parties to select a settlement alternative as a means to attempt settlement.

Parties are required to inform the responsible judge the settlement alternative that they select and the name of the person to provide that alternative.

If the parties cannot agree on the settlement alternative, the judge shall specify the least costly settlement alternative that the judge believes is likely to bring the parties together in settlement, except that unless all of the parties consent, the judge may not order the parties to attempt settlement through binding arbitration, non-binding arbitration or summary jury trial or through multiples of any other settlement alternative.

If the parties cannot agree on the payment of a provider of a settlement alternative, the judge shall direct that the parties pay reasonable fees and expenses of the provider or that the parties pay into an escrow account sums sufficient to pay the fees and expenses of the provider.

213 Counsel are to provide both line and page number when referring to any deposition testimony during court hearings and in any briefs submitted to the court. Advance notification of specific depositions intended to be used must also be made in advance of any scheduled hearings.

214 Counsel are to provide marked copies of all transcripts to counsel and the court at least 48 hours prior to their intended use.

215 The judge having the most years of service as a judge of the Marinette County Circuit Court shall have the right to choose which chambers and which courtroom the judge shall use.

NOTE: It is the intention of Rule 215 to permit the judge with the most seniority to select which chambers and courtroom that judge chooses to use. This rule does not permit the judges to change branches. For example, the judge of Branch I would remain the judge of Branch I even though the judge of Branch I would choose the chambers and courtroom presently being used by the judge of Branch II. Signs designating courtrooms would be switched. Effective October 1, 1996 by order dated September 5th, 1996. 216 De Novo Review of Circuit Court Commissioner Decisions

- (a) Any party who was present at the hearing may request a de novo hearing on matters decided by the circuit court commissioner. The de novo hearing will be by the circuit court judge of the branch to which the case has been assigned.

- (c) Upon obtaining the de novo hearing date from the court, the moving party shall have the notice of motion and motion served on the other party, guardian ad litem, if any, and the Child Support Agency, if state assistance is involved.
- (d) Notices requesting de novo hearing will not stay the court commissioner's order unless the judge specifically grants a stay of the order.

The Deferred Judgment Agreement must be reviewed, signed, accepted and provided to the Judge, in writing, at least five (5) full Court days before the Status Conference/Plea hearing where it will be adopted. APPENDIX A

POLICY AND PROCEDURE MANUAL OF THE JUVENILE AND CHILDREN'S COURT OF MARINETTE COUNTY

This local court rule establishes the policies and procedures of the juvenile and children's court of Marinette County. It shall supersede all previous statements of the policies and procedures of the Marinette County Circuit Court concerning proceedings under chs. 48 and ch. 938 in whatever form or format promulgated.

Definitions:

1. Child: Refers to a person under the age of 18 involved in a chapter 48 CHIPS proceeding.
2. CHIPS: Child In need of Protection or Services; a ch. 48 proceeding concerning a child who is within the jurisdictional requirements of §48.13, Wisconsin Statutes, generally involving orphaned, abandoned, abused, neglected, special treatment children, and children with alcohol or other drug abuse impairments.
3. Court: When used without further qualification, means the court assigned to exercise jurisdiction under chapters 48 or 938, Wisconsin Statutes.
4. Court Intake: The process of submitting to the juvenile intake worker written referrals from agencies or departments authorized in chapters 48 or 938 to refer a child/juvenile to the court.
5. Custody Intake: The process by which a person is taken into custody under §§48.19 and 938.19, Wisconsin Statutes, and delivered to the juvenile intake worker for a custody determination.
6. JIPS: Juvenile In need of Protection or Services; a ch. 938 proceeding concerning a juvenile who is within the jurisdictional requirements of §938.13, Wisconsin Statutes, generally involving uncontrollable juveniles, habitual truants, school dropouts, under 10,

who commits a delinquent act, not responsible because of mental disease or defect, or not competent to proceed.

7. Juvenile: Refers to a person under the age of 17 involved in a delinquency proceeding or a person under the age of 18 involved in a JIPS proceeding.

General Policies:

1. It is the express policy of the court to implement the legislative purposes expressed in §§48.01 and 938.01, Wisconsin Statutes. Statutorily-mandated procedures are the law and do not constitute policies. Statutory mandates are to be explicitly followed in the performance of all matters involving chapters 48 and 938. This rule is intended to set forth the philosophical role of the circuit court in matters concerning chapters 48 and 938 and to establish procedures that are discretionary with the court.

Rationale: The statutes are the law. They must be followed. Policies and procedures are intended to fill the gaps in the law and set forth the philosophical and procedural requirements for handling matters involving chs. 48 and 938.

2. The court will not routinely waive time limits.

Rationale: It was the intent of the legislature to expedite court proceedings. This intent is based, in part, on the philosophy that delays:

In Delinquency and JIPS matters, remove the "cause and effect" relationship between juvenile behavior and court-ordered "consequences" in delinquency matters, and In CHIPS matters, place the child and parents in a limbo status concerning the various needs, rights, and responsibilities of the parties.

"Custody Intake":

1. The intake function and the disposition/supervision function shall be in the Marinette County Human Services Department.
2. Custody intake shall be done by professionally-trained intake workers.

Rationale: The statutes mandate training for all intake workers. The powers of the intake worker are similar to those of a judge.

3. Backup custody intake shall be on-call workers.
4. Backup custody intake workers shall be trained at county expense.

Rationale: Intake workers are required to have a certain number of hours of training (currently 30 hours for intake workers).

5. Referrals for custody intake shall first be made to the full-time intake worker. If the full-time intake worker is not available, the backup workers shall be contacted.

Rationale: Custody intake should first be conducted by the person who is most experienced and generally familiar with the statutes, juveniles, and court

processes: the full-time intake worker. If that worker is not available, referrals should be made to the backup workers.

Custody Intake "decision guidelines":

1. All custody intake referrals shall be made through law enforcement or human services personnel.

Rationale: The decision to refer a person to custody intake is best made by professionals familiar with the law and resources available to the county.

2. Intake shall not be contacted until the referring agency has made a reasonable, articulated decision that a person could be held. The referral agency shall be required to complete the Temporary Physical Custody Request.

Rationale: Intake should only be contacted after the referring agency has made a decision that the person could be held. The agency must be able to justify that decision in writing. Requiring the agency to complete the Temporary Physical Custody Request before intake is called forces the referral person to justify the request for a hold.

3. Intake shall first determine whether the court has jurisdiction over the person.

A. In delinquency matters, the referring agency shall attempt to establish if the person is subject to original adult court jurisdiction or the juvenile court. If the person is subject to original adult court jurisdiction, the procedures specified in of this rule and chs. 967 to 979, Wisconsin Statutes, shall apply.

B. In the event an immediate determination cannot be made whether the juvenile is subject to original adult court or juvenile court jurisdiction, any person age 16 or under shall be presumed to be subject to juvenile court jurisdiction until juvenile intake or the court is satisfied otherwise. The juvenile intake worker shall decline to make a custody determination in a case if the intake worker knows of his or her own knowledge that the person is not subject to juvenile court jurisdiction.

C. If the person is not subject to original adult court jurisdiction, intake shall determine what jurisdictional basis exists for the requested hold under chs. 48 or 938.

4. If there is jurisdiction, intake shall then consider whether and where the person should be held in custody.

A. Chapter 48 presumptions:

1. A child shall be removed from the home if the best interests of that child so dictate.

Rationale: In construing chapter 48, the paramount consideration is the "best interests of the child."

2. If the best interests of the child require removal, lower levels of restriction must always be considered and rejected before considering a higher level of restriction. Intake shall

consider placement in the following ascending order of restriction (only if statutory criteria are met).

- a. Home placement with conditions;
- b. Placement in the home of a relative;
- c. Placement in the home of a person not a relative;
- d. A licensed foster home;
- e. Shelter care, such as Crossroads Shelter Care Facility.

B. Chapter 938 delinquency/JIPS presumptions:

1. A juvenile shall be removed from the home and placed in custody if doing so is necessary to protect citizens from juvenile crime.

Rationale: In construing chapter 938, protecting citizens from crime is one of eight purposes of the juvenile code.

2. If removal from the home is not necessary to protect citizens from juvenile crime, intake shall consider whether any of the following conditions on home placement are warranted:

Home placement with conditions;

Home placement under home detention rules.

3. If protection of the public requires removal, lower levels of restriction must always be considered and rejected before considering a higher level of restriction, except in the case of those crimes statutorily presumptive of secure detention. Intake shall consider placement in the following ascending order of restriction (only if statutory criteria are met):

- Placement in the home of a relative;
- Placement in the home of a person not a relative;
- A licensed foster home;
- Shelter care (Crossroads Shelter Care Facility);
- In delinquency matters, secure detention in: Oconto County Detention Center.
- Secure detention facility (Oconto County or other juvenile secure detention as available).
- The juvenile portion of an adult jail meeting the requirement of DOC 346.

Rationale: Increasing levels of custody should be considered commensurate with the level of custody needed for the protection of the public. Secure custody should be imposed only when the secure setting is necessary and the statutory criteria have been met.

4. If the juvenile is charged with, or it appears reasonable to believe the juvenile will be charged with, a crime which establishes a presumption of secure custody under §938.208(1), that juvenile shall always be placed in secure custody unless the intake worker is satisfied that such custody is not necessary to protect the public. For illustrative purposes only, the presumptive secure custody crimes as of the date of promulgation of this rule are:

- a. 1st degree intentional homicide, 940.01*
- b. 1st degree reckless homicide, 940.02*
- c. Felony murder, 940.03*
- d. 2nd degree intentional homicide, 940.05*
- *N.B. If committed by a juvenile between ages of 10 & 15, original adult court jurisdiction exists and they are not subject to Juvenile custody Intake. (See 06)
- e. Class C, D & E felony Battery, 940.19 (2) to (6)
- f. Mayhem, 940.21
- g. 1st degree sexual assault, 940.225(1)
- h. Kidnapping, 940.31
- i. Discharging firearm from automobile or in parking lot under certain conditions, 941.20(3)
- j. Arson to building, 943.02(1)
- k. Car jacking while possessing a dangerous weapon, 943.23(1g)
- l. Car jacking while possessing a dangerous weapon and causing great bodily harm, 943.23(1m)
- m. Car jacking while possessing a dangerous weapon and causing death, 943.23(1r)
- n. Armed robbery, 943.32(2)
- o. 2nd or subsequent offense of Harassment with threat of death/great bodily harm, 947.013(1t)
- p. Harassment with threat of death/great bodily harm based on information obtained electronically, 947.013(1v)
- q. 2nd or subsequent offense of harassment based on information obtained electronically, 947.013(1x)
- r. 1st or 2nd degree sexual assault of child, or repeated acts of sexual assault to same child, 948.02(1) or (2), 948.025.
- s. Physical abuse of child, 948.03
- t. Use of handgun, short-barreled rifle/shotgun while committing a felony under ch. 940
- u. Possession of a short-barreled rifle/shotgun, 941.28
- v. Going armed with a handgun in violation of 948.60

Future legislative changes that either add to or subtract from this list shall be considered incorporated into this rule without further revision of this rule.

5. If the intake worker believes secure custody is not necessary in a presumptive secure custody situation, the intake worker shall consider less restrictive placements as listed in paragraph 3 of this section of this rule in a descending order of restriction, rather than an ascending order of restriction.

6. The referral agencies' recommendation concerning either the necessity of a hold or the proper placement is not binding on the intake decision and should be considered only with caution.

Rationale: Intake must make a reasoned, independent decision on both the holding of a child and the proper placement. Referral agencies have different constituencies and interests from intake. Intake's responsibility is to the court, not the referral agency.

7. Intake staff shall consider the following criteria when appropriate in making a custody decision and the appropriate level of placement:

- a. In delinquency situations whether the present offense is a presumptive secure custodial placement crime listed in §938.208(1)(a) (b), or (c), Wisconsin Statutes.
- b. In delinquency matters which are not presumptive secure custodial placement crimes, the severity of present alleged offense:

- Whether the present offense involves bodily injury or property damage
- The degree of injury to the victim
- Any special vulnerability of victim (elderly, very young, handicapped, etc.)
- Whether a weapon was used and type of weapon
- Extent of premeditation on the part of juvenile
- Whether act represents "random, senseless act of violence"
- The number of co-actors involved
- The attitude of the juvenile toward offense
- Whether offense included any "gang" involvement
- Other circumstances relevant to the offense

- c. In delinquency matters, the prior CHIPS, JIPS, and/or delinquency record of juvenile:

- Number, nature and consequences of prior court adjudications
- Age of initial enforcement/court involvement compared to present age
- Whether the activity indicates an increasing lack of respect for or inclination to adhere to rules
- Other factors concerning the prior record of the juvenile

- d. Risk of Flight:

- Is the person presently a runaway from a court-ordered placement
- Has this person previously run away from a court-ordered placement
- Attitude of the person toward remaining in custody
- Record of obeying home curfews and rules
- Ability of caregiver to control the person
- School attendance record
- Likelihood of the person to be successful at running from placement based on:
- Age
- Apparent maturity
- Availability of other associates that would assist running away
- "Gang" relationships that would foster runaway status
- Level of consequences child/juvenile now faces for immediate behavior
- Other facts that appear relevant to level of risk of flight

- e. Current legal status:

- Is person currently subject to a dispositional order
- Are other court actions involving the person currently pending
- What is person's present level of custody
- Are there prior adjudications of a similar nature
- Have other dispositional alternatives been tried in past
- Other factors relating to the person's present legal status

- f. Protection needs:

- Is person subject to abuse or neglect in home
- Have there been verbal threats against this person
- Has this person exhibited potential harm to self by recent behavior or threats
- Is the present caregiver able to adequately protect this person
- Is this person vulnerable to revenge acts by others, including co-actors, victims, or others
- Other factors relating to the need to protect the person

8. Deadline for petitions if no custody hearing is requested (938.21(2)(a) and (3)(a))

a. If a child/juvenile has been taken into custody and placed in nonsecure placement outside the home, but no request for a hearing on the custody has been made, the custody shall automatically terminate and the person released unless a written petition has been filed within 48 hours of the date of the custody.

Rationale: See 938.21(2)(a) & (3)(a).

b. This rule does not apply to defendants age 14 or under charged with an original adult court jurisdiction matter who are being held in secure custody.

Rationale: Defendants in an original adult court jurisdiction matter who are being held in secure custody are under the procedures of the adult court, not the juvenile court. There are no "referrals" to intake for such matters. The defendant is held until bail/bond conditions have been met.

Original Adult Court Criminal Defendants -- Secure Custody:

1. Defendants age 15 or over:

A defendant involved in an adult court jurisdiction matter who is age 15 or over at the time a custody decision is being made shall be held in the county jail.

Rationale: A defendant age 14 or under can only be held in secure custody in a juvenile secure detention facility. Since the legislature specifically limited such placements to defendants 14 or under, defendants 15 or over are subject to all adult court procedures, including custody in the county jail pending meeting bail/bond conditions or further court proceedings.

2. Defendants age 14 or under:

a. Initial arrest: If law enforcement arrests a defendant age 14 or under for an adult court jurisdiction matter and law enforcement intends to hold the defendant in custody pending a bail/bond hearing, the defendant may be held in a juvenile secure detention facility or juvenile section of the Marinette County Jail, as provided in Wis. Stats. Sec. 938.209.

- Juvenile intake shall be contacted to determine the secure custody placement location and complete the temporary physical custody request. Juvenile intake

shall not have the authority to overrule the law enforcement decision to hold the defendant in secure custody.

- A defendant arrested without a warrant and held under this rule is entitled to a probable-cause determination within 48 hours of the arrest.
- A defendant arrested and held under this rule is entitled to a bail/bond hearing under ch. 969.
- A defendant arrested and held under this rule is not entitled to a juvenile court custody hearing under §938.20.

Rationale: A defendant in an original adult court jurisdiction matter is subject to all of the procedures in chs. 967 to 979 except that any secure custody placement must be in a juvenile detention facility. In all other adult court matters law enforcement makes a decision to hold or release the defendant. The same should be true in the case of defendants who are involved in an original adult court proceeding. Juvenile intake serves only as the conduit for placing such a defendant in a secure detention facility and should not have the authority to overrule the law enforcement decision. Such defendants are also entitled to the adult court procedures of a Riverside/McLaughlin hearing, bail/bond hearing, etc. But since these defendants are not in juvenile court, they are not entitled to juvenile court §938.20 custody hearings.

- b. Failure to post bond: If a defendant age 14 or under charged with an adult court jurisdiction matter appears for a bail/bond hearing before a judge or court commissioner and is unable to meet the conditions of bail/bond in order to be released, the defendant must be held in a juvenile secure detention facility. The juvenile shall be immediately released from such detention upon meeting the conditions of bail/bond.

Rationale: Although a defendant is held in secure custody in a juvenile facility, the hold is only because the defendant has not met the conditions of bail/bond established by the court. When the bond conditions have been met--such as payment of a cash bond--the defendant should be released the same as a defendant age 15 or over would be released.

3. In the event an immediate determination cannot be made whether the juvenile is subject to original adult court or juvenile court jurisdiction, any person age 16 or under shall be presumed to be subject to juvenile court jurisdiction until juvenile intake or the court is satisfied otherwise. The juvenile intake worker shall decline to make a custody determination in a case if the intake worker knows of his or her own knowledge that the person is not subject to juvenile court jurisdiction.

4. Any defendant who meets all of the following criteria shall immediately be transferred to the county jail upon his or her 15th birthday;

- The person is subject to original adult court jurisdiction, and,
- The person had been placed in juvenile secure custody because the person was age 14 or under at the time the custody decision was made.
- No further court order is needed to effectuate such a transfer. Law enforcement shall be responsible for transporting the juvenile from the secure custodial placement to the county jail.

Custody Hearings and Petitions:

1. Custody hearings, under §48.21 shall be conducted within 48 hours after the end of the day that the decision to hold was made. Custody hearings, under §938.21 shall be conducted within 24 hours after the end of the day that the decision to hold was made, excluding weekends and holidays.

Rationale: Section 48.21 requires a custody hearing to be held within 48 hours of the time the decision to hold the child was made, excluding Saturdays, Sundays and legal holidays. Section 938.21 requires a custody hearing to be held within 24 hours after the end of the day that the decision to hold the juvenile was made, excluding Saturdays, Sundays and legal holidays.

2. If court scheduling or congestion makes it impossible to conduct a custody hearing within the time period, the custody hearing shall be conducted as soon as is reasonably practical. No juvenile shall be automatically released from custody if a custody hearing is not held in a timely fashion if the reason for the inability to hold the custody hearing is because of court congestion or scheduling difficulties under §938.15(1)(dm).

3. If a petition under either ch. 48 or ch. 938 has not been filed by the time of the custody hearing and the statutory grounds exist for an extension of time to file a petition, a petition must be filed within:

- a. Ch. 938 matters: 48 hours from the time of the hearing.
- b. Ch. 48 matters: 72 hours from the time of the hearing, excluding Saturday, Sundays, and legal holidays

"Court Intake":

1. All intake referrals under §§48.24(1) or 938.24(1), Wisconsin Statutes, are to be submitted in writing on the appropriate forms, either the Court Referral--Juvenile, Law Enforcement form or the Court Referral--Juvenile, Non-law Enforcement form.

Rationale: All referrals must contain specific information. Using a statewide approved form provides a consistent format for presenting and reviewing each referral.

2. All intake referrals under §§48.24(1) or 938.24(1), Wisconsin Statutes, shall be conducted by the full-time intake worker.

Rationale: Consistency in the handling of the referral process is necessary to assure that children are handled similarly. Coordinating all intake inquiries in the full-time intake worker assures such consistency. Because the time limits for conducting an intake inquiry are sufficiently flexible, the full-time intake worker can accommodate all intake referrals in spite of temporary absences, vacations, or other duties.

3. All parties making a referral may make a recommendation for disposition, but that recommendation is not binding on the intake worker.

Rationale: Often the party making the referral has special insight into the facts or needs of each case which should be communicated to the intake worker who must make the ultimate recommendation. Recommendations, however, are merely recommendations.

4. Intake inquiry under §§48.24(1) or 938.24(1), Wisconsin Statutes, are not required if all of the following have occurred:
 - A. A custody intake decision was made pursuant to §§48.19 or 938.19, Wisconsin Statutes;
 - B. A hearing on the custody has been held pursuant to §§48.21 or 938.21, Wisconsin Statutes;
 - C. The person has been continued in custody (secure or nonsecure); and
 - D. A petition was filed with the court at or prior to the custody hearing or the court has authorized an extension of time to file a petition.

Rationale: The purpose of the intake inquiry is to allow the juvenile intake worker to review the facts, meet with the child and parents, and make a decision whether the matter should be referred for a Petition to be filed, whether the matter should be resolved through an Informal Disposition or Deferred Prosecution Agreement, or whether the matter should be dismissed. Chapters 48 and 938 require that a petition be filed at, or prior to, a custody hearing or allows a 48-hour extension of time to file such a petition. Because of the expedited nature of the process when a child is taken into custody, the purpose of an intake inquiry has been accomplished. It is impossible to reconcile the statutory guidelines for an intake inquiry with the statutory guidelines for processing a petition. It was the apparent intent of the legislature to circumvent the intake inquiry procedure when the intrusive step of a child being taken into custody has occurred.

5. Intake referrals under §§48.24(1) or 938.24(1), are not required if the juvenile has been transferred to juvenile court by an adult court pursuant to a 'reverse waiver' under §§970.032(2) or 971.31(13).

Rationale: The juvenile has already been in adult court under an original adult court jurisdiction crime because of the serious nature of the crime committed or the juvenile's past record. The district attorney will already have prepared charging documents to make a determination of whether a delinquency petition should be filed and the charge(s) to be included in the petition.

6. Except as set forth elsewhere in this rule, the intake worker shall always consider the possibility of an informal disposition agreement under ch. 48 or a deferred prosecution

agreement under ch. 938 when doing so would not unduly depreciate the seriousness of the matter referred in the eyes of the juvenile, parents, victims, and the public.

Rationale: Diversion of children from the formal court system is one of the goals of both chapter 48 and 938. An Informal Disposition Agreement (IDA) or Deferred Prosecution Agreement (DPA) may allow the intake worker to structure a plan with the agreement of the child/juvenile and parents that will accomplish all of the goals of chapter 48 and 938. However, an IDA or DPA can be counterproductive if its effect is to reduce the child's or parents' responsibility, or the IDA/DPA would depreciate the seriousness of the offense, or such an action would be viewed as doing so by other interested persons.

7. The intake worker shall consider the following factors in screening intake referrals:

- A. Seriousness of the allegations
- B. Intent
- C. Severity of personal injury
- D. Severity of property damage
- E. Prior allegations of similar activity
- F. Attitude of the public
- G. Attitude of the victim
- H. Previous contacts with law enforcement, social services, or juvenile intake
- I. Age and maturity
- J. Attitude of the person and/or parents
- K. Degree of apparent incorrigibility/uncontrollability
- L. School attendance and behavior patterns
- M. Involvement in gang-related activity
- N. Other social factors
- O. Resources available to the family and community to provide adequate care
- P. Criteria in §938.18(5), Wisconsin Statutes, concerning waiver to adult court
- Q. Any other facts or circumstances available to the intake worker that impact on the referral decision consistent with the welfare and safety of the person and the protection of the public, including those factors provided in Rule 05, concerning custody decisionmaking.

Rationale: The intake decision should not be hamstrung by artificial barriers to the free flow of information. Just as the circuit judge may consider all "relevant" factors in making a disposition, without regard to the rules of evidence, the intake worker should also be able to use all information available to make a decision on the future of that particular referral.

8. The intake worker shall not enter into a deferred prosecution agreement in a ch. 938 matter in the following situations unless the district attorney has referred the matter back to the intake worker with such a recommendation.

Rationale: The legislature, on behalf of the society it represents, has categorized crimes in terms of seriousness by creating a classification system. It is the duty of the executive branch, acting through the elected district attorney, to determine the extent to which these crimes should be prosecuted. For those crimes society

considers most serious, the intake worker--a nonelected member of the judicial branch--should not make Informal Disposition recommendations in those cases which would appear to unduly depreciate the seriousness of the allegations. Certain criminal activity is so serious that an informal disposition should only be considered when the district attorney has made that choice as the proper prosecutorial decision. The intake worker should conduct an intake conference and may recommend to the district attorney a juvenile court deferred prosecution agreement or an adult criminal court deferred prosecution agreement. If the district attorney has reviewed the matter and concludes that a juvenile court deferred prosecution agreement is appropriate, the district attorney will refer the matter back to intake for such a procedure. If the district attorney believes an adult criminal court deferred prosecution agreement is appropriate, the district attorney will prepare the paperwork in adult court.

- A. If the intake worker is satisfied there is probable cause to believe the juvenile committed a Class A or B Felony.

Rationale: Although intake will seldom see a juvenile who is charged with a Class A or B Felony (most of these are original adult court jurisdiction matters), there are occasions when it might occur. These matters are so serious that an IDA or DPA is never a practical consideration.

- B. If the intake worker is satisfied there is probable cause to believe the child committed a felony and has been previously adjudicated delinquent.

Rationale: A prior adjudication for delinquency followed by a new felony referral for delinquency is sufficiently serious to require that the initial decision on filing a formal petition should always be made by the district attorney.

- C. The juvenile and at least one of the parents does not appear at an intake conference.

Rationale: For a deferred prosecution agreement to work, the parties must reach an agreement. Juveniles or parents who do not attend the intake conference exhibit a noncooperative attitude that would make an informal disposition unworkable.

- D. The juvenile or the family deny the allegations of the referral.

Rationale: The deferred prosecution agreement is not used as a bargaining tool or hammer to avoid litigation. For a DPA to work, the parties must show a willingness to admit that there is a problem and to work voluntarily to resolve it.

- E. When the child has been the subject of an informal disposition agreement concerning delinquency under ch. 48 or a deferred prosecution agreement under ch. 938 entered into within the last two years.

Rationale: A juvenile who has been the recent subject of an informal disposition agreement is not appropriately considered for informal disposition again.

9. The juvenile intake worker may consider recommending an informal disposition agreement or deferred prosecution agreement in the following circumstances:

A. When an informal disposition would not violate rule 7 above.

B. In delinquency/JIPS matters when:

1. The juvenile admits the allegations.
2. The juvenile exhibits remorse for the acts.
3. The juvenile's parents appear cooperative with the court.
4. The juvenile has not previously been formally adjudicated delinquent.

C. In CHIPS matters when:

1. The custodial parent(s) agree that the child is in need of protection and services.
2. The child has not previously been adjudicated CHIPS.
3. The child is not the victim of sexual or physical abuse resulting in actual injury inflicted by an adult person currently residing in the child's home.

Rationale: One of the statutory goals is to divert children out of the court system. An informal disposition agreement should be the first consideration in all cases that are not automatically excluded from such disposition by these rules. Only when an informal disposition is considered inappropriate should the intake worker discard the possibility of an informal disposition.

10. The intake worker may dispense with holding an intake conference in those cases in which the intake worker is satisfied that the best interests of the child or the interests of society require an immediate decision. In such cases, the intake worker may notify the child and parents of their rights under chs. 48 and 938 in writing.

Rationale: In some cases, a referral and recommendation are apparent on the basis of the referral documents. CHIPS cases involving danger or risk to the child, or Delinquency matters involving serious crimes, may require a greater immediacy of action than the usual intake process would allow. The intake worker should be free to make the decision whether an intake conference would be beneficial to the intake decision or would merely be postponing necessary action.

11. When a matter has been presented to the intake worker by the Juvenile Court Clerk under section 17 of this local court rule, the intake worker may:

- A. Refer the matter to the appropriate agency for investigation and review. That agency shall then make a determination whether an intake referral should be made, or,
- B. Conduct an intake inquiry based on the petition presented to the juvenile court clerk for filing.

Rationale: Section 48.25, Wisconsin Statutes, permits the filing of a petition under §§48.13 or 48.14 by counsel or guardian ad litem for a parent, relative, guardian or child. Presumably a parent, relative, guardian or child could also file such a petition pro se. Section 16 of these local court rules prohibits the Juvenile Court Clerk from accepting for filing such a petition unless an intake inquiry has been conducted. When the Juvenile Court Clerk makes such a referral to intake, the intake worker must have the ability to refer the matter to law enforcement or human services for investigation and determination whether a petition should be filed. Alternatively, the intake worker may determine that an intake inquiry should be conducted based on the materials submitted by the petitioning party.

Notice to Victims of Children's Acts:

The victim-witness coordinator in the district attorney's office shall be responsible for notifying each known victim who sustained personal injury or property damage of:

1. The policies and procedures of the court concerning their rights. The district attorney may establish policies and procedures for the victim-witness coordinator.
2. Notices of scheduled proceedings in delinquency matters.

Notices of Rights, Obligations, and Possible Disclosures to Child/Juvenile and Parent(s):

1. If a custody hearing is held;

A. At the commencement of the custody hearing, the court shall advise the child/juvenile and parent(s) of their rights, obligations and possible disclosures. The court may do so by providing the child/juvenile and parent(s) who attend with the printed form JD-1716. Notice is considered properly given whether or not the recipients sign the signature block on the form.

B. If a parent does not attend the custody hearing, the juvenile court clerk shall send a copy of the written form JD-1716 to the nonattending parent if the address is known immediately at the conclusion of the hearing.

C. If signed, the signed copy of JD-1716 shall be filed in the court file. If the child/juvenile or parent(s) did not sign, the juvenile court clerk shall file a copy of the form with a notation as to the person(s) and date(s) on which the notice was provided.

2. At an intake inquiry:

A. At the commencement of the intake inquiry, the juvenile intake worker shall advise the child/juvenile and parents of their rights, obligations and possible disclosures. The juvenile intake worker may do so by providing the child/juvenile and parent(s) who attend with the printed form JD-1716. Notice is considered properly given whether or not the recipients sign the signature block on the form.

B. If signed, the signed copy of JD-1716 shall be filed in juvenile intake worker's file. If the child/juvenile or parent(s) did not sign, the juvenile intake worker shall file a copy of the form with a notation as to the person(s) and date(s) on which the notice was provided.

Rationale: Chapters 48 and 938 require the child/juvenile and parents be given various notices at different stages of the court proceedings. The Wisconsin Records Management committee has created a printed form (JD-1716) intended to accomplish the various notice requirements.

Plea Negotiations:

1. The court will not accept any plea negotiations that are entered into after the date set by the court for motions in the case, or if no motions are filed, within five working days of the fact-finding hearing.

Rationale: Last minute resolutions of cases are extremely disruptive to the court calendar. Time on the court calendar will have been set aside for this case to the exclusion of other cases. Witnesses and jurors who have been subpoenaed may have made alternative arrangements for their personal affairs. In order to avoid this disruption, the parties to a case must make all necessary efforts to resolve the matter as much before the fact-finding hearing as possible.

2. After a plea negotiation deadline has passed, the only resolutions the court will accept to pending delinquency, JIPS, or CHIPS matters is an admission to the petition by all parties, a dismissal of the entire petition by the petitioner, or a fact-finding trial on the original petition.

3. If a plea negotiation involves a Consent Decree, the consent decree must be reduced to writing, completely signed by all parties, and presented to the court prior to the deadline for plea negotiations.

Rationale: Since fact-finding hearings are typically scheduled for a date close to the statutory deadline, waiting until the last minute to complete the consent decree is especially disruptive to the court calendar.

Dispositional Activities:

1. Court reports when required shall be completed and filed with the court not less than 72 hours before the scheduled dispositional hearing. The agency completing the court report shall transmit copies of the report to the attorneys involved in the matter. In the case of parents who are not represented by counsel, a copy of the report shall be transmitted directly to them by the agency.

Rationale: The court report may be the single most important document prepared on behalf of a child/juvenile/attorney and family to have the opportunity to

consider the report and any recommendations made in the report, it is imperative that they have access to the report before the dispositional hearing. Receiving and reviewing the report on the day or even at the time of the hearing does not allow a reasonable amount of time to consider the report.

2. Marinette County Human Services shall be the agency primarily responsible for implementing court dispositional orders involving supervision.

Rationale: In order to effect the separation between intake and adjudication (which are court functions) and dispositional supervision (which should not be a court function), it is appropriate that the local Human Services agency be the agency primarily responsible for implementing court orders.

3. Dispositions involving persons who are not residents of Marinette County shall be coordinated through the Marinette County Human Services agency.

Rationale: In order for the court to ensure that its orders are enforced, the court must have jurisdiction over the agency that is implementing the order. Requiring the local Human Services agency to coordinate the services provides the court with the leverage needed to ensure compliance.

4. If a matter has been transferred from another county to this county for a dispositional hearing, the dispositional hearing shall be set within 30 days of the receipt of the transfer documents from the other county.

[Top of page](#)

Extensions of Dispositional Orders:

1. The agency primarily responsible for implementation of a dispositional order shall notify the court at least 45 days prior to the termination of an order as to whether the agency will seek to extend the dispositional order or allow it to terminate. The district attorney's office shall ensure that copies of the communication to the court (whether Petition or letter) shall be sent to all parties entitled to notice.

Rationale: Notwithstanding relaxation of some time limits in ch. 938 matters, the court loses jurisdiction in either a ch. 48 or 938 case if the extension hearing isn't held before the order terminates. At least 45 days notice of an intent to seek an extension is necessary in order to schedule and conduct a hearing. Requiring the agency to give notice at least 45 days in advance as to whether it will or will not seek an extension will insure that all cases are considered and eliminate the possibility of any one case slipping "through the cracks."

2. The agency may revise its decision after giving such notice if it determines that the original decision was incorrect based on a reconsideration or new factors.

Rationale: Sometimes the agency may reconsider its decision based on new factors or merely a re-review of the situation. The agency must be given the opportunity to change its mind.

3. The court shall schedule an extension hearing in all cases where a request for an extension is filed. If the extension request is filed during the 30 day period immediately prior to the termination of the order, the court shall attempt to schedule the case before the termination date. If the court cannot schedule the matter before the termination date, the court will grant the request for a temporary 30 day extension under §§48.365(6) or 938.365(6), Wisconsin Statutes.

Rationale: As part of the court's philosophy that juvenile proceedings must be expedited, it is appropriate to attempt to schedule extension hearings within the original time period set for termination of an order. Only if the hearing cannot be set within that time period should the court consider a temporary extension.

4. All extensions of a dispositional order shall take effect at the termination date of the dispositional order being extended regardless of the date of the hearing on the extension, except that in the case of a disposition that has been temporarily extended for up to 30 days under §48.365(6), Wisconsin Statutes, any extension shall take effect at the termination of the extended date.

Rationale: It is appropriate that there be uniformity in determining when an extended disposition is to take effect. Since chs. 48 and 983 do not specifically address this issue, dispositional orders in the past have sometimes used the hearing date as the date from which the extension is calculated rather than the date the dispositional order was to expire. Since an extension is merely a continuation of the old order, it is logical that the extended period is simply added to the existing order. It is illogical to consider the extension to be a new order which can overlap the old dispositional order.

Requests by Victims or the Insurance Companies of Victims for Disclosure of Juvenile Identify and Police Records:

1. All requests by victims or the insurance companies of victims for disclosure of the juvenile's identity and police records shall be referred to the law enforcement agency responsible for the investigation.
2. The insurance company of a victim shall be entitled to know the amount of restitution a court has ordered paid on behalf of the victim if a request to the victim/witness coordinator is made pursuant to §938.396(2)(fm).

Requests to Review Court Files Involving Juveniles:

1. All requests for review of court records involving a juvenile shall be in writing.

2. The juvenile court clerk shall make available upon request the appropriate forms (such as JD-1738) for requesting such information.
3. If a request is made by a juvenile, parent, guardian or legal custodian under §§938.396(2)(ag) or (am), before release of any information requested the juvenile court clerk shall review the file and make an initial determination whether release of that information might result in imminent danger to anyone. If the juvenile court clerk believes such a result might occur, the juvenile court clerk shall either:
 - A. Refer the matter to the judge assigned to that case for a determination as to whether a hearing shall be held on the release, or,
 - B. Prepare a version of the information requested with the potentially dangerous information blocked out. The requester may bring a motion to the court if the requester believes the information should not have been blocked.
4. Duties of the Juvenile Court Clerk in Handling CHIPS Petitions Filed by the Counsel or Guardian ad Litem for a Parent, Relative, Guardian, or Child, or Directly by such a Person Acting Without an Attorney:

1. The Juvenile Court clerk shall not accept for filing any petition under §§48.13 or 48.14, Wisconsin Statutes, presented by the counsel or guardian ad litem for a parent, relative, guardian or child, or directly by such a person acting without an attorney, unless that petition has been first referred to juvenile intake for an intake inquiry under §48.24, Wisconsin Statutes.

Rationale: Section 48.24, Wisconsin Statutes, requires that information indicating that a child should be referred to the court shall first be referred to the intake worker. However, §48.25, Wisconsin Statutes, authorizes the counsel or guardian ad litem for a parent, relative, guardian or child to file a petition. In most cases, such petitions will not have been referred first to juvenile intake for an inquiry whether the court should be involved. It is important that intake be provided the opportunity to make inquiry first to ensure that there is a proper basis for the filing of a petition.

2. Upon receipt of any such petition the Juvenile Court clerk shall refer the matter to the juvenile intake worker for an intake inquiry.
3. Any petition filed contrary to this rule may be dismissed without prejudice pending the intake inquiry.

Rationale: Once a petition has been filed, the time limits for conducting a plea hearing and other proceedings take effect. Those time limits are inconsistent with the periods allowed juvenile intake to complete an intake inquiry. It is the court's policy to require an intake inquiry for matters brought directly to the court by counsel or guardian ad litem for a parent, relative, guardian, or child, or by such a person directly without an attorney.

Therefore, to avoid the redundancy of having a court proceeding and an intake inquiry proceeding at the same time, with conflicting time limitations, the court can only control such petitions by dismissing without prejudice those that don't go through intake.
