This policy will take effect on July 1, 2017 for all guardianships currently active or filed after that date.

CR 06-3 IN PROBATE MATTERS, PROBATE COURT POLICE REGARDING APPEARANCES IN CHAPTER 51 PROCEEDINGS

The Probate Court is aware of the unique challenges facing individuals in Chapter 51 civil commitment proceedings. Many of the individuals in these proceedings are experiencing both physical and mental health issues which make transportation from a mental health facility for a physical appearance more difficult. To provide more humane treatment of these individuals, the Probate Court desires to make alternative appearance arrangements for these individuals rather than require their physical appearance whenever possible. In recognition of the Wisconsin Supreme Court's Statement of Intent under § 885.50, Wis. Stats., the Probate Court believes that arranging videoconferencing appearances provide much less disruption for the individual in these matters and will result in more efficient proceedings without compromising fairness and due process.

Therefore, the Probate Court, in exercising its discretion in the scheduling and handling of Chapter 51 cases, hereby makes the following rules and policies with respect to an individual's appearance in the proceedings:

1. Individuals shall appear by videoconference, if available, for all probable cause hearings and any other Chapter 51 proceeding where the parties so stipulate.
2. If the individual desires to be physically present for a probable cause hearing, the individual and his/her counsel shall notify the Probate Court and the Corporation

Counsel's Office in writing of the request to be physically present. (Said writing can be accomplished by email or fax).

3. If the written request is received by the Probate Court and the Corporation Counsel by 3:00 P.M. the day before the probable cause hearing, the Corporation Counsel's Office shall make a good faith effort to make transportation arrangements so the individual can be physically present within the required 72-hour time frame required by statute. Nothing in this paragraph shall be interpreted to suggest that an individual's appearance by videoconference is inadequate to satisfy the statutory and constitutional rights of an individual at a Chapter 51 probable cause hearing.
4. In the event the request or transportation arrangements for a physical appearance is not made within the time referenced in subsection (3) above, then the individual and his/her counsel may adjourn the probable cause hearing pursuant to Wis. Stat. Sec. 51.20(7)(a). The individual then shall be brought and be physically present in the courtroom for the adjourned probable cause hearing. An individual may forfeit his/her right to be physically present, or the request for physical presence may be denied by the Probate Court, only on a finding of good cause.
5. Nothing in the policy shall be interpreted as requiring an appearance by videoconferencing at the probable cause hearing or any other hearing if the parties to the proceedings agree that it is most efficient and appropriate to have an individual appear in person.
