

LA CROSSE COUNTY CIRCUIT COURT RULES

PART 1: PUBLICATION AND REVISION OF CIRCUIT COURT RULES

- 100 Effective March 6, 1995
- 101 Court rules, prior to adoption or revision, shall be presented at two (2) successive meetings of the La Crosse County Circuit Judges. This requirement and rule 102 may be suspended for good cause upon the order of all La Crosse County Circuit Judges. (2/10/89)
- 102 Proposed rules shall be posted for public review in the County Courthouse by the Clerk of Circuit Court and copies shall be forwarded to the President and Secretary of the La Crosse County Bar Association at least thirty days prior to formal adoption. (2/10/89)
- 103 Notice of proposed rules as described in Secs. 101 and 102 shall constitute sufficient public notice. (2/10/89)
- 104 Rules shall be adopted by written order of a majority of La Crosse County Circuit Judges, subject to approval of the Chief Judge. The clerk of court shall send a copy of the filed adopted or amended rule to the secretary of the local bar association, the district court administrator, the State Bar of Wisconsin, the State Law Library and the Office of the Director of State Courts. (2/10/89)
(AMENDED 2/6/95)
- 105 Orders adopting rules shall specify an effective date. (2/10/89)
- 106 Insofar as these rules are in conflict with any existing court rule or order, these rules supersede such rule or order. (2/10/89)
- 107 These rules are intended to supplement, not supersede, state statutes and Supreme Court Rules. Rules that conflict with state statutes or Supreme Court rules, in whole or in part, will not be enforced except to the extent that their partial enforcement would not constitute a conflict. (3/1/19)

PART 2: CLOSURE OF PROCEEDINGS

- 200 Effective February 1, 1989
- 201 Unless good cause for a shorter time period has been shown to the judge, a party moving that any judicial proceedings, required by law to be public, be closed to the news media must notify the court and the media coordinator in writing, if possible, at least 72 hours prior to the time set to hear the motion. The purpose of this rule is to permit legal counsel to appear on behalf of the media and be heard. The burden shall be upon the moving party to show good cause why the proceedings should not be public as required by the statute. (2/10/89)

PART 3: CASE PROCESSING TIME GUIDELINES

300 Effective February 1, 1989

301 The following case processing time guidelines are for the processing of cases and are designed to provide a guide to the judiciary and bar. Unless otherwise indicated, the guidelines represent the time period from filing to final disposition. (2/10/89)

Misdemeanor.....(from initial appearance if in custody)	2 months
(if not in custody)	3 months
Felony.....(from initial appearance)	6 months
Traffic & Ordinance.....(from initial appearance)	4 months
Personal Injury/Property Damage.....	18 months
Contract/Money Judgments.....	12 months
Divorce.....	12 months
Estates.....	18 months
Small Claims	3 months
Child support.....	6 months
Paternity-contested.....	12 months
Paternity-uncontested.....	6 months

302 It will be the practice of the court to schedule every case for a next action or review date at every state in the life of the case. (2/10/89)

303 In the event of case consolidation the cases shall be heard by the judge with the lowest case number. (3/3/95)

304 It has become evident to the court that many attorneys are using their opportunity for voir dire examination to unduly visit with and establish rapport with prospective jurors. Such conversation with prospective jurors is not a legitimate inquiry into the juror's qualifications or whether the juror is indifferent in a particular case. (Sec. 805.08(1) Wis. Stats.) Such conversation unduly lengthens the jury selection process.

Therefore, the court orders that attorney examination of prospective jurors shall be no more than 20 minutes for each attorney in order that the focus of attorney inquiry be in accordance with Sec. 805.08(1). Such 20 minutes shall not include any individual voir dire examination.

This order may be modified by the trial judge in particular cases when the circumstances of a particular case and the interest of justice requires a more lengthy attorney voir dire examination. Any such lengthened attorney voir dire examination requested by a party shall be by written motion made and heard by the court at least 15 days prior to the date scheduled for jury selection. (4/5/02)

PART 4: RULES OF DECORUM

- 403 Repealed (1/2/14)
- 404 The flag of the United States shall at all times while court is in session be displayed at, on, or in close proximity to the bench, or in a standard to the right of the judge. (2/10/89)
- 405 Lawyers shall never lean upon the bench or appear to engage the court in a manner which would lessen the dignity of the proceedings in the eyes of the jury and public. (2/10/89)
- 406 Repealed (1/2/14)
- 407 When a lawyer or party is addressing the jury, the lawyer shall not crowd the jury box. (2/10/89)

- 409 During court proceedings, no lawyer or party shall exhibit familiarity with witnesses, jurors or opposing counsel and generally the use of first names shall be avoided. Attorneys should instruct their witnesses to testify slowly and clearly so that the court and the jury can hear their testimony, and should caution witnesses not to chew anything while testifying. (2/10/89)
- 422 In jury trials, lawyers shall examine witnesses from the lectern except when handling exhibits. A lawyer may approach the witness with approval from the court, but in no case shall a witness be crowded during examination. If it is necessary to discuss some question out of the hearing of the jury at the bench, the attorney may so indicate to the court and if invited, approach the bench for that purpose. (2/10/89) (AMENDED 1/9/04, 1/2/14)

- 423 Unless excused by the judge, after the jury has retired to deliberate upon a verdict, the attorneys and all necessary parties shall remain available at all times during the deliberations of the jury and when the verdict is received. (2/10/89) (AMENDED 1/2/14)

- 430 The bailiff shall assist jurors as necessary with personal problems if they arise, and shall inform the judge of any unusual problems of jurors which should be called to his or her attention. (2/10/89)
- 431 The bailiff shall at no time discuss with the jurors, litigants, witnesses or attorneys any issues involved in the trial, nor make any effort to assist the jurors in their deliberations. (2/10/89)

434 Attorneys are required to have their calendars with them in court so that dates can be set in the courtroom when possible. In the event that an attorney does not have his or her calendar in court, a date will be set in accordance with the judge's calendar. (2/10/89) (moved from civil sec.)

435 All matters to be set on for any hearing before the court shall include in the Notice of Hearing the length of time the Court has allotted to hear the matter. This time frame will have been obtained from the appropriate Judge's judicial assistant prior to such notice being sent out. Upon receipt of said notice, should opposing counsel believe that the time allotted is insufficient to complete the matter before the court, counsel shall immediately contact the Court and opposing counsel to reschedule the matter for an appropriate length of time.

If no length of time is included in the notice, the matter will not be heard. Except in unusual circumstances no matter will be allowed to proceed past the final time frame allotted. (2/6/95)

436 In order to preserve impartiality and fairness in all judicial proceedings, all email correspondence regarding cases before the court shall be addressed and sent to the appropriate judge's judicial assistant, and not to the judge directly.

For Unemployment Compensation calculations, periods of self employment that occurred during the base period will not be included.

This modification shall take effect from the date the payor notifies the Child Support Agency in writing (such as by completing the Certification of Change in Work Status form available from the Child Support Agency) and the income source is verified. The modification will continue until the earlier of:

- 1) payor's return to previous work status; or
- 2) the end of the month the written request was completed.

The payor must complete a new form for successive months before the first day of the month or the original obligation will automatically be reinstated.

Any payment of arrearages will be reduced to \$50/month if the payor's only source of income is from one of the qualifying sources listed above unless otherwise ordered by the court.

These provisions are applicable to orders issued by the State of Wisconsin unless another state has provided the State of Wisconsin the ability to modify their order.

Individuals receiving Social Security or Social Security Disability payments will have their obligations reviewed to modify the order to the appropriate level of support based on state guidelines. (Amended 5-5-09)

Such petition shall additionally include a copy of the courts previous order requiring one or both of the parties or the county to be responsible for payment. It shall be the obligation of the G.A.L. to insure that the issue of responsibility for payment is addressed prior to the final hearing. Neither the clerk nor the court will search the file for such an order. If none has been made or none accompanied the petition for payment, no further action will be taken by the Clerk or the Court. The clerk of court shall docket this judgment without fee. (2/10/89) (AMENDED 2/6/95)

906 Each party ordered to make payments for maintenance, child support or family support under interim or final orders in an action affecting the family shall pay to the Clerk of Circuit Court an annual receiving and disbursing fee. Only one fee shall be imposed on any individual payor for each case file. (8/1/92)
