Amended Outagamie County Court Rule on Foreclosure Procedures

IT IS ORDERED that in all foreclosure actions filed in Outagamie County after the effective date of October 19, 2012, the plaintiff shall attach to the Summons and Complaint served on the defendant/homeowner the following forms:

1) Notice of Availability of Mediation; and 2) Application for Mediation.

Forms, which shall be printed on light green paper, can be downloaded from the Outagamie County website at <http://www.outagamie.org/ClerkofCourts>, or will be available at the Outagamie County Clerk of Courts Office.

"Residential mortgage foreclosure actions" is defined as those foreclosure actions involving either first or second mortgages and involving one- to four-family residences, owner occupied, or tenant occupied, so long as the landlord owns no more than five one- to four-family rental properties.

While entry into the Foreclosure Mediation Program is voluntary for both parties, by consenting, the parties agree to abide by the process set forth in the Foreclosure Mediation Process Description below.

Foreclosure Mediation Process Description

A. Goal. The Outagamie County Foreclosure Mediation Program is patterned after the Wisconsin Foreclosure Mediation Network Model. The goal of the Program is to assist parties determine, within a reasonable period of time, whether foreclosure can be avoided by an alternate mutually agreeable arrangement, such as a loan modification or repayment plan, or to allow for a graceful exit from the property. The

mediation program seeks to achieve this goal by structuring the collection and exchange of information to prepare the parties for their mediation session. The neutral and impartial mediator then guides and summarizes the communications so that parties gain a complete and clear understanding of any options that may exist, or the reasons retention options are not available.

B. Eligibility. The Program is available to parties to a first or second mortgage foreclosure action involving a one- to four-family residential property. The Homeowner need not reside in the property, but they may not own more than four other rental properties. This is consistent with the eligibility criteria for the U.S. Treasury's Making Homes Affordable loan modification program. In addition, the action must be pending in Outagamie County. Vacation properties or "seasonal homes" are not eligible, nor are homes subject to a bankruptcy.

C. Request/Consent Process:

1. **Mediation Request Form.** To initiate the mediation process, either party may make a request. The Homeowner's request must utilize the "Mediation Request Form." Within two business days of receiving the Request Form, the Program Administrator will refer a housing counseling agency to the Homeowner via mail or email. The Homeowner's second step is to contact a housing counselor to set up a meeting for the purpose of compiling a complete financial package. The housing counselor sends the package directly to the Program Administrator through the portal, once designated. The Homeowner's third step is to pay the application fee of \$150 by check, money order or credit/debit payment via telephone.

If the Homeowner does not complete all three steps within 60 days from receipt of the Mediation Request Form, in the absence of extenuating circumstances, the application will be deemed inactive.

2. **Lender's Consent.** After the Homeowner has completed all three application steps, the Program Administrator will notify Lender's counsel and request Lender's participation, seeking a response within 10 business days. Lender's non-refundable fee of \$150 is due at the time of consent. If no response is received within 30 days, the Program Administrator will notify the Court that Lender has not responded and will close the mediation.

D. Mediation Preparation/Document Exchange:

1. **On-line Portal.** By consenting, Lender agrees to utilize an Administrator selected secure internet based portal to:
 - a. Post the lender required loan modification application forms and requirements,
 - b. Receive the Homeowner's loan modification package documents and
 - c. Exchange messages about any outstanding documents or information.
2. **Initial Submission of Loan Modification Request Packet ("Financial Package").** Within 2 business days of lender's consent, the Program Administrator will send the Homeowner's financial package to the lender, either via the Portal or via lender's counsel.

3. **Notice of Deficient Package and (Lender's Confidential Loan Data Sheet).** Within 5 business days after receipt of Homeowner's initial submission of information, Lender shall:
 - . Notify the Program Administrator of any known deficiencies, including any missing information or documentation required for the loan modification application to be complete, and
 - a. Send the completed Confidential Loan Data Sheet.
4. **Supplemental Submission.** Within 10 days from the date of the Lender's notification of deficiencies in the financial package, Homeowner shall submit supplemental information or documents. This deadline may be extended for compelling circumstances beyond the Homeowner's control.
5. **Notice of Commencement of Review Period.** When no outstanding Lender requests for information or documents remain, the Program Administrator will send a Notice to the Court advising that:
 - . The Homeowner has delivered to Lender, via Program Administrator, a completed application for a loan modification;
 - a. Lender is reviewing the application for alternatives to foreclosure; and
 - b. The next scheduled mediation activity.

F. Mediation Session

1. **Assignment of Mediator.** At the time of the Initial Submission, the Program Administrator will assign a trained neutral and impartial mediator, who will utilize the facilitative style of mediation, refraining from directing or advising the parties, and will abide by the Uniform Model Standards of Mediator Conduct.
2. **Attendance by Parties with Authority.** By consenting, Lender agrees to designate a representative with knowledge of all of the Lender's loss mitigation programs either with full authority to make a determination on the Homeowner's request or access to persons having such authority. Such representative may appear via video or teleconference. All attorneys will appear in person or via videoconference (if such accommodations are available). Absent prior arrangements, all mortgagors and the mediator must be present at the mediation session. If subsequent mediation sessions are scheduled, all appearances may be via teleconference.

Failure of counsel to be present may result in a fine being levied for contempt as to either side in the case. The Court's Judicial Assistant will not contact the parties regarding the status of the case.

Pleas of guilty, no contest, or dismissals after this date may result in a \$100 assessment of costs against the party entering the pleas or dismissal, in addition to any penalties imposed for the offense itself. The only exception to this rule will be for those circumstances beyond the control of the parties.

Any motions for continuance due to unavailability of witnesses must be made at the time of the jury conference.

The court shall set the priorities for trial and the date and time for trial and notify the parties by 12:00 p.m. on Tuesday, one week prior to the scheduled jury date.

State statutes prohibit court officers or employees of the Clerk of Court's and Family Court Commissioner's offices from giving legal advice, other than directing interested persons to the library or furnishing a copy of these rules.
3. If a motion for de novo hearing is filed, the Clerk of Courts shall assign the case to a Circuit Court branch and either party may schedule a hearing. Adjournment, Continuance, Or Rescheduling Of A Pending Motion Or Hearing In Family Court

The moving party for any hearing is the only party who can adjourn that hearing without a motion or stipulation.

Any party or attorney seeking an adjournment, continuance, or rescheduling of a pending motion or hearing shall first attempt to reach an agreement with the other party or attorney on an acceptable date for the hearing. If agreed, a conference call may be arranged with the Family Court Commissioner's assistant by the party or attorney seeking the date change.

If the responding party refuses to grant an adjournment request, the party requesting the adjournment may request a court ruling on the request.

It is the obligation of the requesting party to schedule a mutually convenient date for the adjournment request hearing by conference call with the Court and all attorneys or unrepresented parties. Otherwise, the adjournment request will be heard on the

date of the originally scheduled hearing and the Court will immediately rule as to whether the adjournment should be granted or whether the hearing will proceed as scheduled. Costs may be assessed against parties or attorneys who unreasonably refuse adjournment requests.

Exceptions to this rule may be made for Guardian ad Litem who have calendar conflicts, and who were not consulted on date selection or who legitimately need more time to investigate and make recommendations to the party and the court.

Approved this 2nd day of August, 2010.

SECTION 6: SENTENCING TO OUTAGAMIE COUNTY JAIL

The Outagamie County Board and the Outagamie County Executive have supported over the years community based corrections. Through Volunteers in Offenders Services and Huber Law Rehabilitation programs the County provides a means for community involvement with offenders to assist the offenders in normalizing their environment and to further assist in the transition from incarceration to their being back in the community. Huber Law Rehabilitation programs, specifically, aim at providing means to enable offenders to be more productive members of society and to reduce future crime.

The Circuit Judges of Outagamie County concur with the efforts of Outagamie County officials in adopting these programs.

THEREFORE: IT IS THE ORDER of the Courts of Outagamie County that all sentences to the Outagamie County Jail by the Circuit Judges of this County shall be subject to and incorporate therein in all respects the rules and regulations of the VIOS/HLR programs with the benefits of these programs to be made available, if and when appropriate, to all qualified offenders.

IT IS ALSO AGREED THAT; Jail rehabilitation court cases credit should be provided at 10% in Huber Law cases and 15% in the Probationary cases. The presiding judge retains discretionary authority to modify this percentage in any case.

Dated at Appleton, Wisconsin this 20th day of December, 1988.

Sentencing to the Outagamie County Huber Law/Work Release Floor

The Outagamie County Board and the Outagamie County Executive have over the years supported community based corrections. Through Volunteers in Probation and Huber Law Rehabilitation programs the County provides a means for community involvement with offenders, to assist the offenders in normalizing their environment and to further assist in the transition from incarceration to their being back in the community. Huber Law Rehabilitation programs, aim at providing means to enable offenders to be more productive and employable member of society and to reduce

future crime. Specifically, this is done through the High School Equivalency Program, Employability Program and Alcohol/Drug Services.

The Circuit Judges of Outagamie County concur with the efforts of Outagamie County officials in adopting these programs.

THEREFORE; IT IS THE ORDER of the Courts of Outagamie County that all sentences to the Outagamie County Jail by the Circuit Judges of this County shall be subject to and incorporate therein in all respects the rules and regulations of the VIP/HLR programs with the benefits of these programs to be made available, if and when appropriate, to all qualified offenders. In addition, Employability and High School Equivalency Programs shall be mandatory for all residents (Work Release and Huber Law) unless waived by the Volunteers in Offender Services Department. Program participation is expected to begin upon admission to Huber Floor.

Alcohol/Drug Service Program participation is also mandatory for those ordered by the Court or probation conditions. Participation is expected to begin upon admission to the Huber Floor.

Community service shall not be commenced until jail time is completed unless permitted earlier by the Volunteers in Offender Services Program Department, Probation Officer, or Sheriff's Department.

Failure to comply with this order shall be considered failure to perform a lawful duty and shall result in the loss of good time. (Wis. Stats. §302.43).

Dated at Appleton, Wisconsin this 21st day of September, 1990.

Release of Huber Inmates to Attend Court

Wisconsin Statutes do not explicitly grant the court authority to release inmates who are on huber privileges for purposes of attending court. If the court does not release these inmates for attendance at court, they must be escorted by Sheriff personnel. Since these same inmates are released, on their own, to attend work, school, church, and child care duties, they present no additional risk to public safety by being released for purposes of attendance at court. It would be a substantial savings of personnel resources and financial resources to the County if these inmates were released to attend court on their own.

For the foregoing reason, the Courts hereby authorize the Sheriff's Department to release inmates to attend court without Sheriff personnel escort. The normal procedures for checking in and out shall be observed. Violations of this Court ordered release will be treated as any other violation of huber release privileges.

Dated at Appleton, Wisconsin, June 1997.

Use of Guardianship Assets which Exceed Medical Assistance Allowance

This policy is intended to instruct guardians of wards who are on Medical Assistance and reside in a nursing home on appropriate methods of maintaining asset levels of wards so as not to exceed Wisconsin Medical Assistance limits.

The policy applies in the event that the ward's assets are at or near the Wisconsin Medical Assistance Program allowable asset limit, and the ward resides in a nursing home.

A. In order to preserve Wisconsin Medical Assistance coverage, guardians are instructed to dispose of assets in the following manner:

1. Guardians are to first meet immediate needs of their ward. This would include clothing, recreational and social activities, necessary furnishings, personal items, medical services and devices not covered by other funding sources, allowable insurance, etc.
2. If asset limits are still at or near the current limit, guardians are instructed to invest in allowable burial assets. A current list of allowable burial assets can be received from the Assigned Income Maintenance Case Manager or by calling (414) 832- 5168.
3. When burial assets have been purchased to a maximum limit and no immediate needs exist, and the ward resides in a nursing home, the guardian is instructed to donate excess assets to the Wisconsin Medical Assistance Estate Recovery Program. The state will accept up to the total accumulated amount currently paid on behalf of the recipient as voluntary repayment of benefits provided and will reduce any future claim on the ward's estate or on the estate of the surviving spouse by that amount. (Note that any amount over the accumulated benefits paid will be considered a gift and will not offset any future claims.) Information regarding the amount of Medical Assistance Benefits paid out on behalf of the recipient can be obtained from the following address:

Bureau of Health Care Financing
Coordination of Benefits Unit
Box 309
Madison, WI 53701-0309

Contributions may be made to that same address. The guardian must include a letter stating the name and Medical Assistance Number of the ward, a statement indicating the amount of money being repaid, and a statement that these funds are donated on a voluntary basis in repayment of medical assistance benefits paid on behalf of the recipient. A copy of the letter should be sent to:

Register in Probate
Justice Center
320 S. Walnut

Questions on procedure may be directed to the Probate Office.

This local court rule establishes the policies and procedures of the Juvenile and Children's Court of Outagamie County, superseding all previous statements of the policies and procedures of Outagamie County Circuit Court concerning proceedings under chs. 48 and 938.

1. Child: Refers to a person under the age of 18 involved in a chapter 48 CHIPS proceeding.
2. CHIPS: **Child In need of Protection or Services**; a ch.48 proceeding concerning a child who is within the jurisdictional requirements of § 48.13, Wisconsin Statutes, generally involving orphaned, abandoned, abused, neglected, special treatment children, and children with alcohol or other drug abuse impairments.
3. JIPS: **Juvenile In need of Protection or Services**; a ch.938 proceeding concerning a juvenile who is within the jurisdictional requirements of § 938.13, Wisconsin Statutes, generally involving uncontrollable juveniles, habitual truants, school dropouts, under 10 who commits a delinquent act, not responsible because of mental disease or defect, or not competent to proceed.
4. Juvenile: Refers to a person under the age of 17 involved in a delinquency proceeding or a person under the age of 18 involved in a JIPS proceeding.

1. GENERAL POLICIES

1. It is the policy of the Outagamie County Court to implement the legislative purposes expressed in §§ 48.01 and 938.01, Wisconsin Statutes. This rule is intended to set forth the philosophical role of the circuit court in matters concerning chapters 48 and 938 and to establish procedures that are discretionary with court.
2. The Court will not routinely waive time limits. The court recognizes the importance of expediting court proceedings involving juveniles and children to

bring matters to resolution as quickly as possible.

The court equally recognizes the importance of diverting cases away from the formal court process whenever possible. Consistent with the diversion of cases away from the formal court process, it is the opinion of the Outagamie County Judiciary that the delays, continuances, and extensions allowed under 48.315 or 938.315 of the Wisconsin Statutes are also applicable to the Juvenile Court Intake process.

2. CUSTODY INTAKE AUTHORITY

1. The role of the Juvenile Court Intake Worker as stated under 48.067/938.067 of the Wisconsin Statutes is to provide intake services 24-hours per day, 7 days per week for the purpose of screening children/juveniles taken into custody and not released.
Juvenile Court Intake Services in Outagamie County for Chapter 938 are provided by the Division of Youth and Family Services. Child Protective Services and Child Welfare Court Intake is provided by the Children, Youth, and Family Services Division.
2. The duty of the Juvenile Court Intake Worker is to interview any child/juvenile who is taken into physical custody and not released, and where appropriate, interview other available concerned parties.
No juvenile may be placed in a secure or non-secure setting unless the juvenile has been interviewed in person by an Intake Worker. However, an Intake Worker may authorize a placement after consulting by telephone with the law enforcement officer who took the juvenile into custody while the Intake Worker is enroute to the in-person interview.
3. Juvenile Court Intake Services will be provided by persons who are qualified Court Intake Workers.
4. The Circuit Judge shall be used for custody intake only if no other qualified individual is available.

3. CUSTODY DECISION GUIDELINES

1. All custody requests shall be made through law enforcement or human services personnel.
2. The person performing the court intake function should not be contacted until the requesting agency has made a reasonable, articulable decision that a person should be held. This contact provision does not apply to situations where the human services personnel is the same person taking and holding in custody. The requesting agency shall be required to complete the custody intake request form before an intake decision is made.
3. Intake shall first determine whether the court has jurisdiction over the person.
 1. In delinquency matters, the referring agency shall attempt to establish if the person is subject to original adult court jurisdiction or the juvenile court. If the person is subject to original adult court jurisdiction, chs. 967 to 979, Wisconsin Statutes, shall apply.
 2. In the event an immediate determination cannot be made whether the juvenile is subject to original adult court or juvenile court jurisdiction, any person age 16 or under shall be presumed to be subject to juvenile court jurisdiction until juvenile intake or the court is satisfied otherwise. The juvenile Intake Worker shall decline to make a custody determination in a case if the Intake Worker knows of his or her own knowledge that the person is not subject to juvenile court jurisdiction.
 3. If the person is not subject to original adult court jurisdiction, intake shall determine what jurisdictional basis exists for the requested hold under chs. 48 or 938.

4. If there is a jurisdiction, intake shall then consider whether and where the person should be held in custody.
 1. Chapter 48 presumptions:
 1. A child shall be removed from the home if the best interests, as it relates to the safety of that child so dictates.
 2. If the best interests of the child require removal, lower levels of restriction must always be considered and rejected before considering a higher level of restriction. Intake shall consider placement in the following ascending order of restriction (only if statutory criteria under 48.207 are met):
 1. Home placement;
 2. Home placement with conditions;
 3. Placement in the home of a relative;
 4. Placement in the home of a person not a relative;
 5. A licensed foster home;
 6. Shelter Care
 2. Chapter 938 delinquency/JIPS presumptions:
 1. A juvenile shall be removed from the home and placed in custody if doing so is necessary to protect citizens from juvenile crime, or when a juvenile's behavior indicates disregard for the safety of the juvenile or others.
 2. If removal from the home is not necessary to protect citizens from juvenile crime or to maintain the juvenile's safety, intake shall consider whether any of the following conditions on home placement are warranted:
 - Home placement with conditions;
 - Home placement on Electronic Monitoring.
 3. If protection of the public requires removal, lower levels of restriction must always be considered and rejected before considering a higher level of restriction, except in the case of those crimes statutorily presumptive of secure detention. Intake shall consider placement in the following ascending order of restriction (only if statutory criteria are met):
 - Placement in the home of a relative;
 - Placement in the home of a person not a relative;
 - A licensed foster home;
 - Shelter Care;
 - In delinquency matters, Secure Detention in: Outagamie County Sheriff's Department Secure Detention Facility.
 - The juvenile portion of Outagamie County Adult Jail meeting the requirements of DOC 346 and 938.209 are met.
 4. If the juvenile is charged with or it appears reasonable to believe that the juvenile will be charged with a crime which establishes a presumption of secure custody under § 938.208(1), that juvenile shall be placed in secure custody unless the Intake Worker is satisfied that such custody is **not** necessary to protect the public.
 5. If the Intake Worker believes secure custody is not necessary in a presumptive secure custody situation, the Intake Worker shall consider less restrictive placements in a *descending* order of restriction, rather than an *ascending* order of restriction.
 6. The referral agencies' recommendation concerning either the necessity of a hold or the proper placement is not binding on the intake decision and should be considered as referent information.
 7. Intake staff shall consider the following criteria when appropriate in making a custody decision and the appropriate level of placement:
 0. **In delinquency situations whether the present offense is a presumptive secure custodial placement crime listed in § 938.208(1)(a), (b), or (c), Wisconsin Statutes.**

1. **In delinquency matters which are not presumptive secure custodial placement crimes, the severity of present alleged offense:**
 - Whether the present offense involves bodily injury or property damage
 - The degree of injury to the victim
 - Any special vulnerability of victim (elderly, very young, handicapped, etc.)
 - Whether a weapon was used and type of weapon
 - Extent of premeditation on the part of juvenile
 - Whether act represents "random, senseless act of violence"
 - The number of co-actors involved
 - The attitude of the juvenile toward offense
 - Whether offense included any "gang" involvement
 - Other circumstances relevant to the offense
2. **In delinquency matters, the prior CHIPS, JIPS, and/or delinquency record of juvenile:**
 - Number, nature and consequences of prior court adjudications
 - Age of initial law enforcement/court involvement compared to present age
 - Whether the activity indicates an escalation in severity or dangerousness
 - Whether the activity indicates an increasing lack of respect for or inclination to adhere to rules
 - Other factors concerning the prior record of the juvenile
3. **Risk of Flight:**
 - Whether the child/youth is presently a runaway from a court-ordered placement
 - Whether the child/youth has previously run away from a court-ordered placement
 - Attitude of the child/youth toward remaining in custody
 - Record of obeying home curfews and rules
 - Ability of caregiver to control the person
 - School attendance record
 - Likelihood of the youth to be successful at running from placement based on:
 1. Age
 2. Apparent maturity
 3. Availability of other associates that would assist running away
 4. "Gang" relationships that would foster runaway status
 5. Level of consequences child/youth now faces for immediate behavior
 6. Other facts that appear relevant to level of risk of flight
4. **Current legal status:**
 - Whether the child/youth is currently subject to a dispositional order
 - Whether there are other court actions involving the child/youth currently pending
 - The child/youth's present level of custody
 - Whether there are prior adjudications of a similar nature
 - Whether other dispositional alternatives been tried in past
 - Other factors relating to the child/youth's present legal status
5. **Protection needs:**
 - Whether the child/youth is subject to abuse or neglect in home
 - Whether there have been verbal threats against this child/youth
 - Whether the child/youth exhibits potential harm to self by recent behavior or threats

- Whether the present caregiver is able to adequately protect the child/youth
- Whether the child/youth is vulnerable to revenge acts by others, including co-actors or victims
- Other factors relating to the need to protect the person

4. ORIGINAL ADULT COURT CRIMINAL DEFENDANTS - SECURE CUSTODY

1. Defendants age 15 or over:

A defendant involved in an adult court jurisdiction matter who is age 15 or over at the time a custody decision is being made shall be held in the county jail. Since the legislature specifically limited such placements to defendants 14 or under, defendants 15 or over are subject to all adult court procedures, including custody in the county jail pending meeting bail/bond conditions or further court proceedings.

2. Defendants age 14 or under:

1. **Initial arrest:** If law enforcement arrests a defendant age 14 or under for an adult court jurisdiction matter and law enforcement intends to hold the defendant in custody pending a bail/bond hearing, the defendant must be held in a juvenile secure detention facility.
 - Juvenile intake shall be contacted to determine the secure custody placement location and complete the temporary physical custody request order. Juvenile intake shall not have the authority to overrule the law enforcement decision to hold the defendant in secure custody.
 - A defendant arrested without a warrant and held under this rule is entitled to a probable-cause determination within 48 hours of the arrest.
 - A defendant arrested and held under this rule is entitled to a bail/bond hearing under ch.969.
 - A defendant arrested and held under this rule is not entitled to a juvenile court custody hearing under § 938.20.

A defendant in an original adult court jurisdiction matter is subject to all of the procedures in chs. 967 to 979 except that any secure custody placement must be in a juvenile detention facility. In all other adult court matters, law enforcement makes a decision to hold or release the defendant. The same should be true in the case of defendants who are involved in an original adult court proceeding. Juvenile intake serves only as the conduit for placing such a defendant in a secure detention facility and should not have the authority to overrule the law enforcement decision. Such defendants are also entitled to the adult court procedures of a Riverside/McLaughlin hearing, bail/bond hearing, etc.

2. **Failure to post bond:** If a defendant age 14 or under charged with an adult court jurisdiction matter appears for a bail/bond hearing before a judge or court commissioner and is unable to meet the conditions of bail/bond in order to be released, the defendant must be held in a juvenile secure detention facility. The juvenile shall be immediately released from such detention upon meeting the conditions of bail/bond.
3. In the event an immediate determination cannot be made whether the juvenile is subject to original adult court or juvenile court jurisdiction, any person age 16 or

under shall be presumed to be subject to juvenile court jurisdiction until juvenile intake or the court is satisfied otherwise. The juvenile intake worker shall decline to make a custody determination in a case if the intake worker knows of his or her own knowledge that the person is not subject to juvenile court jurisdiction.

4. Any defendant who meets all of the following criteria shall immediately be transferred to the county jail upon his or her 15th birthday:
 - The person is subject to original adult court jurisdiction, and,
 - The person had been placed in juvenile secure custody because the person was age 14 or under at the time the custody decision was made.

No further court order is needed to effectuate such a transfer. Law enforcement shall be responsible for transporting the juvenile from the secure custodial placement to the county jail.

5. CUSTODY HEARING AND PETITIONS

1. Custody hearings, whether under § § 48.21 or 938.21, shall be conducted within 24 hours after the end of the day that the decision to hold was made, excluding weekends and holidays.

A physical custody hearing is to be requested by Juvenile Court Intake by calling the Outagamie County Court Commissioner to request a hearing no later than 10:00 a.m. the day of the hearing. The custody hearing shall be held at 3:00 p.m., although depending on the Court Commissioner's calendar, the time may be modified.
2. If court scheduling or congestion makes it impossible to conduct a custody hearing within the time period, the custody hearing shall be conducted as soon as reasonably practical. No juvenile shall be automatically released from custody if a custody hearing is not held in a timely fashion if the reason for the inability to hold the custody hearing is because of court congestion or scheduling difficulties under § 938.315(1)(dm).
3. Temporary Physical Custody reports shall be submitted by the Intake worker and considered by the Court without the need for testimony, which may be presented at the detention hearing, provided that it is relevant, not a waste of time, or a needless presentation of cumulative evidence. A determination of the foregoing will be made on a case by case basis by the Court.
4. A parent and/or child may sign a waiver of their right to participate in a custody hearing.
5. If a petition under either ch. 48 or ch. 938 has not been filed by the time of the custody hearing and the statutory grounds exist for an extension of time to file a petition, a petition must be filed within:
 1. Ch. 938 matters: 48 hours from the time of the hearing.
 2. Ch. 48 matters: 72 hours from the time of the hearing, excluding Saturdays, Sundays and legal holidays.
6. No custody hearing under chs. 48 or 938 is to be held for a defendant age 14 or under involved in an original adult court jurisdiction matter who is being held in secure custody.

6. COURT INTAKE

1. All intake referrals under § § 48.24(1) (except for protective service court referrals) or 938.24(1), Wisconsin Statutes, are to be submitted in writing on the appropriate forms, either the *Court Referral – Juvenile, Law Enforcement* form or the *Court Referral – Juvenile, Non-law enforcement* form.

2. All intake referrals under § § 48.24(1) or 938.24(1), Wisconsin Statutes, shall be conducted by the qualified Intake Workers in the Division of Youth and Family Services or the Division of Children, Youth, and Families.
3. All parties making a referral may make a recommendation for disposition, but that recommendation is not binding on the Intake Worker.
4. All Intake referrals shall be handled within a 40-day time period. However, Intake Workers may file requests for extension of 40 days for good cause. It is the opinion of the Outagamie County Judiciary that the delays, continuances, and extensions, as enumerated under 48.315 or 938.315 of the Wisconsin Statutes are applicable to the Juvenile Court Intake process. Juvenile Court Intake Workers may request a delay, continuance, or extension from the Outagamie County Judiciary for reasons allowable by statute and approved by the Division Manager just as if a petition has been filed.
5. Intake conferences under § § 48.24(1) or 938.24(1), Wisconsin Statutes, are not required if all of the following have occurred:
 1. A custody intake decision was made pursuant to § § 48.19 or 938.19, Wisconsin Statutes
 2. A hearing on the custody has been held pursuant to § § 48.21 or 938.21, Wisconsin Statutes;
 3. The person has been continued in custody (secure or non-secure); and,
 4. A petition was filed with the court at or prior to the custody hearing or the court has authorized an extension of time to file a petition.
6. Intake conferences under § § 48.24(1) or 938.24(1), are not required if the juvenile has been transferred to juvenile court by an adult court pursuant to a "reverse waiver" under § § 970.023(2) or 971.31(13).
7. Except as set forth elsewhere in this rule, the Intake Worker shall always consider the possibility of an informal disposition agreement under ch. 48 or a Deferred Prosecution Agreement under ch. 938 when doing so would not unduly depreciate the seriousness of the matter referred in the eyes of the juvenile, parents, victims, and the public.
8. The Intake Worker shall consider the following factors in screening intake referrals:
 1. Seriousness of the allegation
 2. Intent
 3. Severity of personal injury
 4. Severity of property damage
 5. Prior allegations of similar activity
 6. Attitude of the public
 7. Attitude of the victim
 8. Previous contacts with law enforcement, social services, or juvenile intake
 9. Age and maturity
 10. Attitude of the person and/or parents
 11. Degree of apparent incorrigibility/uncontrollability
 12. School attendance and behavior patterns
 13. Involvement in gang-related activity

 17. Any other facts or circumstances available to the Intake Worker that impact on the referral decision consistent with the welfare and safety of the person and the protection of the public, including those factors concerning custody decision-making.
9. Special Considerations for Truancy
The issue of truancy where probable cause is demonstrated that the truancy is the result of the parents' refusal to send the child to school, and further where there is probable cause to believe the truancy is clearly not a result of disobedience of the child, has come to the attention of the court;

Referral procedure to Intake

1. Pursuant to Wisconsin Statutes 48.13(6) and 118.15(5), the school attendance officer may make truancy referrals to the Juvenile Intake Office. Upon receipt of the referrals, the Intake Worker may conduct an intake inquiry with the child and parent, guardian, or legal custodian. The Intake Worker will determine whether or not the truancy is due to the child being taught at home, the child's disobedience, the parents' refusal to send the child to school, or the parents' negligence in failing to send the child to school. Following an assessment of the child's needs as well as an assessment as to the cause of the truancy, the intake worker will decide how to handle the case.

Intake Recommendations and Alternatives

2. Where truancy is a result of the child's disobedience or refusal to attend school, the Intake Worker may close the case, enter into an informal agreement, or recommend formal court proceedings.
3. Where the truancy is the result of the parents' refusal or negligence in failing to send the child to school, the Intake Worker will consult with the Assistant District Attorney for consideration of one of the following alternatives which are designed to hold any person having under control of a child who is between the ages of 6 and 18 years accountable for their child's school attendance.
 1. The District Attorney may file a petition alleging that the child is in need of protection and services. In doing so the District Attorney may summons the parent or guardian to appear in court. The District Attorney shall also petition the court for a Guardian ad Litem pursuant to 48.23(3). If the court finds that it is in the best interest of the child and the child's Guardian ad Litem consents, the child will be excluded from the formal court proceedings. If after the court determination it is determined that the child's truancy is due to the failure of the parent(s) to compel the child to attend school, the court may order the parent(s) to compel the child to attend school as part of disposition pursuant to 48.345. If the parent(s) does not abide by the Judge's order, the judge may find the parent(s) to be in contempt of court.
 2. As an alternative, pursuant to Wisconsin Statute 118.15(5), the District Attorney may prosecute the person having under control the child who is between the ages of 6 and 18 years.
10. The Intake Worker shall **not** enter into a Deferred Prosecution Agreement in a ch.938 matter in the following situations unless the district attorney has referred the matter back to the Intake Worker with such a recommendation:
 1. If the Intake Worker is satisfied there is probable cause to believe the juvenile committed a Class A or B Felony.
 2. The juvenile and at least one of the parents does not appear at an intake conference despite agreement to attend; and the level of risk indicates a need for court intervention.
 3. The juvenile or the family deny the allegations of the referral and the level of seriousness indicates a need for a determination by the court.
11. The Juvenile Intake Worker may consider recommending an informal disposition agreement or Deferred Prosecution Agreement in the following circumstances:
 1. In delinquency/JIPS matters when:
 1. The juvenile admits to the allegations or to certain facts regarding the allegations.
 2. The juvenile agrees to complete all obligations.
 3. The juvenile's parents appear cooperative with the court.
 4. Required services are available without a court order
 5. The community is protected.
 6. The youth is being held accountable.
 2. In CHIPS matters when:

1. The custodial parent(s) agree that the child is in need of protection and services
 2. The child is not the victim of sexual or physical abuse resulting in actual injury inflicted by an adult person currently residing in the child's home, unless safety can be assured.
12. When a matter has been presented to the Intake Worker by the Juvenile Court Clerk when no Intake Inquiry was conducted, the Intake Worker may:
1. Refer the matter to the appropriate agency for investigation and review. That agency shall then make a determination whether an intake referral should be made, or
 2. Conduct an intake inquiry based on the petition presented to the juvenile court clerk for filing.
- Section 48.25(1), Wisconsin Statutes, permits the filing of a petition under § 48.13 or 48.14 by counsel or guardian ad litem for a parent, relative, guardian or child. Court rules prohibits the Juvenile Court Clerk from accepting for filing such a petition unless an intake inquiry has been conducted. When the Juvenile Court Clerk makes such a referral to intake, the Intake Worker must have the ability to refer the matter to law enforcement or human services for investigation and determination whether a petition should be filed. Alternatively, the Intake Worker may determine that an intake inquiry should be conducted based on the materials submitted by the petitioning party.
13. In order to facilitate the efficient exchange of information between the Juvenile Intake Workers of Outagamie County, the District Attorney's Office, and the Defense Counsel, the following Order for disclosure is made:
1. When referrals are made to the District Attorney's office for court action involving a juvenile, the Juvenile Court Intake office shall transmit to the District Attorney's office copies of any psychological, AODA and similar assessment or treatments reports involving the juvenile whose case is at issue. In addition, the Juvenile Intake Worker shall transmit copies of any referral letter to such assessors or treaters. Further, the Juvenile Intake Worker shall provide in writing, the names of any other assessors or treaters to which the juvenile has been referred.

Notice is considered properly given whether or not the recipients sign the signature block on the form.
 2. If signed, the signed copy of JD-1716 shall be filed in Juvenile Intake Worker's file. If the child/juvenile or parent(s) did not sign, the Juvenile Intake Worker shall file a copy of the form with a notation as to the person(s) and date(s) on which the notice was provided.

8. CONTESTED CASES

On the return date in eviction and replevin actions, where there is a dispute, the matter shall be scheduled for a hearing as soon as possible before a Circuit Court Judge. All other contested cases shall be heard by the Court Commissioner in accordance with these rules.

9. RENT AND DAMAGE HEARINGS

If an eviction is granted, a rent and damage hearing will be scheduled approximately 30 days from the granting of the eviction. A rent and damage list must be received in

10. MOTIONS

Pretrial motion hearings must be scheduled with the Small Claims Clerk and may not be scheduled at the same time as the initial appearance, pretrial conference or contested hearing. All motions must be filed and served on the other party pursuant to the provisions of Chapters 801 and 802, Wis. Stats.

11. SMALL CLAIMS HEARINGS

At the contested hearing before the Court Commissioner (the "Court Trial"), the parties will be expected to present testimony, witnesses, their documentation supporting their claim or defense, and any other relevant evidence for the Court Commissioner to consider in making a decision. Permission may be granted to present brief videotape evidence if requested at the pretrial. Any party granted permission to present videotape evidence must furnish their own equipment at the time of trial.

12. APPEAL RIGHTS

Following the contested hearing before the Court Commissioner, either party may request a Trial before a Circuit Court Judge. This request must be made in writing within ten (10) days of the Court Commissioner's decision if given orally at the time of the contested hearing, and within fifteen (15) days of a written decision of the Court Commissioner. The Decision of the Court Commissioner shall become the judgment of the Court if no demand for trial is made within the prescribed time limits.

15. FINANCIAL DISCLOSURE

All money judgment debtors are required to make financial disclosures to their judgment creditor within 15 days after the date of entry of judgment unless the judgment is sooner satisfied. Failure to complete the financial disclosure may result in a contempt finding and issuance of an arrest warrant.

16. CONTEMPT

At the time of executing contempt warrants for small claims, the judgment debtor will be given the option of completing the financial disclosure form or posting the bond amount. If neither is done, the judgment debtor shall be booked into jail on the contempt warrant and be brought before the Court Commissioner at the designated time.

17. COMPLAINTS AGAINST OUT-OF-STATE DEFENDANTS

Small claims actions must comply with the personal jurisdiction requirements of Section 801.05 of the Wisconsin Statutes. Accordingly, small claim complaints against out-of-state defendants must set forth a prima facie basis for personal jurisdiction under Section 801.05 of the Wisconsin Statutes. Plaintiffs who do not set forth this factual basis shall be issued a written Order to provide such a written factual basis for personal jurisdiction against the defendant, or the case will be dismissed.

In order to facilitate the implementation of this rule, all small claim complaints against out-of-state defendants shall be reviewed by the Court Commissioner for compliance with this rule and the statutory requirements of Section 801.05. The 30-day time period for setting a return date shall be stayed until the Court Commissioner has issued a decision on the personal jurisdiction issues presented by complaints against out-of-state defendants.

18. PROPER VENUE

A fundamental purpose of the small claims procedure is to permit unrepresented plaintiffs and defendants to appear in court and represent their interests in a legal dispute. When complaints are filed against defendants for disputes that do not arise in or near Outagamie County, the basic purpose of small claims procedures is undermined, and the potential for unfairness to defendants is significant.

Accordingly, complaints against defendants who reside in counties which are not contiguous to Outagamie County shall be subject to being transferred to the county of residence of the defendant, unless the complaint provides a factual basis which establishes that the actual controversy arises from contacts or actions within Outagamie County. The Court Commissioner may review any complaints filed against defendants who do not reside in Outagamie County, or a county contiguous to it, for compliance with this rule. If the complaint does not establish a factual basis for

establishing that the dispute arose from contacts within Outagamie County, then the Court Commissioner shall transfer venue to the proper county in Wisconsin.

19. CONSOLIDATED CREDITORS ACTIONS

The attorney preparing the summons and complaint for multiple creditors shall provide information as to each creditor's individual claim(s). A separate judgment amount will be entered for each creditor and a separate docketing fee charged per creditor. Only one filing fee is charged. The check box that states: "See attached for multiple plaintiffs," must be checked and the information showing each creditor's individual claim(s) must be attached to the summons and complaint.

The individual creditor or creditors' names must be listed in the summons and complaint caption. (NOT the COLLECTION AGENCY'S NAME). A credit agency may bring a consolidated creditors action, but it is NOT allowed to appear in court or in any garnishment action on behalf of the creditor(s).

The attorney filing the action will be required to apportion the costs between the creditors and submit a bill of costs to the court for each creditor so that the judgment can be entered.

20. SERVICE MEMBERS CIVIL RELIEF ACT:

A. An affidavit of Non-Military Service providing information on the defendant's current military service status must be filed for each defendant listed on a summons and complaint. Wisconsin State Form Number GF-175 shall be used to comply with this rule.

B. An Affidavit of Non-Military Service must also be filed when a party is proceeding with a Contempt Action in Small Claims Court.

C. Upon non-appearance by the defendant, judgment cannot be entered until the Affidavit of Non-Military Service is filed. If it is not filed **prior to or at** the initial appearance date the case will need to be continued requiring the plaintiff to make an additional court appearance.
