| April 21, 2016 | Criminal Law Update Primo Restaurant – Oshkosh |

Domestic Violence Legal Assistance Project

Winnebago County has been selected as the site of a pilot project intended to measure the effect of appointment of counsel in family law cases. A grant of \$100,000 has been awarded by the Wisconsin Director of State Courts Office through funding from the United States and Wisconsin Departments of Justice. This grant is directed to and will be monitored by Christine Ann Domestic Abuse Services.

The grant will pay for attorneys to represent victims of domestic abuse and sexual assault in all family law cases, except adoption, TPR and CHIPS. The grant is for one year and provides for reimbursement at the county rate including reimbursement for incidental expenses. The purpose of the grant is to study the impact of appointing counsel in civil cases.

Training for the project will occur in September of this year, with appointments of counsel commencing at around the same time.

Anyone interested in applying for appointments, or for more information, please contact Fran Price, Legal Advocate at Christine Ann Domestic Abuse Services Inc., 920-235-5998.

Newsletter - If, as a member, you would like to post an announcement in the monthly newsletter, please let us know. As in the past, these can be new-hires, job postings, space-for-rent or other announcements that have to do with your practice.

If you are a member of the WCBA, as well as a member of another non-profit organization, you are welcome to post event announcements to the rest of the membership encouraging them to attend – for example – the date for the Neenah Rotary Uncorked and Uncapped fundraiser, or the Black & Pink Ball benefitting the non-profit you are a board member for. We'd be happy to let everyone know. Send us an email and we'll make sure it's printed.

Keep in mind, you are the contact person and will be listed in the newsletter as the point of contact for more information and questions.
