Winnebago County Bar Photograph

As you have heard us mention this year, it's time for another WCBA Member composite picture. That means, if you are a member of the Winnebago County Bar Association and would like to be represented in the composite picture that will hang at the Winnebago County Courthouse there are a few steps you need to take in the next three weeks.

The WCBA has contracted with **Thompson Photo Imagery** in Oshkosh to coordinate individual portrait sittings against a more flattering background (than just black) and provide a composite plaque for the Winnebago County Courthouse.

Member Attorneys wishing to be included will need to **call Thompson Photo at 920-235-5830 and set up an individual executive portrait session**, which should take no longer than 10 – 15 minutes (this individual sitting is at no cost to you). A block of time for your firm's attorneys can be arranged as well if you would like to purchase additional group or individual shots at your own personal expense for your private or business use.

Thompson Photo is available to start coordinating sessions and taking pictures on Monday, March 11th, and will continue to do so through Friday, March 29th for the Winnebago County Bar Association.

The studio is located at 114 High Street, Oshkosh, WI 54901

Thank you for scheduling an appointment and being a part of the Winnebago County Bar Association in such a memorable manner.
