

**STATE BAR OF WISCONSIN**  
**Litigation Section**  
*Sponsored Membership Request Form*

---

The members of the Litigation Section recognize we serve a diverse community as Wisconsin lawyers. We believe our section, and the legal community at large, is strongest when it reflects (and looks more like) the communities we serve.

The Litigation Section welcomes members of every gender, race, culture, age, sexual orientation, religion, and physical ability. We seek to recruit members of all – especially historically underrepresented – backgrounds who can contribute to and benefit from our section’s service and success.

To this end, our section may offer sponsored membership of 1 year to any currently licensed Wisconsin attorney who can help us achieve our goal of better representation of the communities we serve.

To request for yourself or nominate another attorney for a sponsored membership, please complete the form below and return it to Craig Jolly ([cjolly@wisbar.org](mailto:cjolly@wisbar.org)) by April 15, 2022, for review by the Litigation Section Board.
