

WSSFC21

WISCONSIN SOLO & SMALL FIRM CONFERENCE 2021

OCTOBER 28-30 2021

Meet you where you are

We'll meet you where you are...

In Practice

Review crucial case law, legal trends, legislative changes, and best practices you need to know from across multiple practice areas. Hear insights from seasoned practitioners and renowned presenters.

In Business

Discover how to get the most out of tools you use every day. Build business relationships with fellow attendees. Come away with ideas for eliminating inefficiencies in your practice. Pick up another source for referrals. Learn HR and management skills from more experienced colleagues.

In Life

Learn how you can live well, work smarter, and reduce stress! See how other attorneys are continuing to adapt to the challenges brought on by COVID-19. Talk with colleagues who "get it" - who can relate to the unique stressors and situations you face. Share with others what's helped you cope this past year - professionally and/or personally!

WSSFC21 offers the information and resources you need to practice law, manage your business more effectively, and most importantly, enjoy life!
