OTHER ACTION

At its April 1, 2008 meeting, the committee set the assessment for fiscal year 2009 at \$0 per attorney. The committee noted that the estimate balance of the fund at the end of Fiscal Year 2008 will be about \$400,000. The Committee set the \$0 assessment pursuant to “SCR 12.07(3) Certificate of sufficiency. The committee shall determine the net value of the fund as of May 1 of each year. Whenever the value of the fund shall equal or exceed \$250,000, after deducting all claims which the committee has determined to pay and which are not disposed of at the date of valuation and all expenses properly chargeable against the fund, the committee shall file with the supreme court prior to May 31 of that year a certificate of sufficiency to that effect. When a certificate of sufficiency is filed with the Supreme Court, there shall be no annual assessment for the next fiscal year”.

The Wisconsin Lawyers’ Fund for Client Protection was selected by the National Client Protection Organization, Inc. (NCPO) to host its annual workshop, which will be held September 11 and 12 in Madison, WI. The NCPO is a not-for-profit membership corporation which was organized in May 1998. NCPO is foremost an educational resource for the exchange of information among law client protection funds throughout the United States and Canada.

NCPO's purposes include providing help and support to protection funds and programs to protect legal consumers from dishonest conduct in the practice of law. Toward that end, NCPO's efforts include regional seminars for the sharing of experiences and administrative techniques and procedures.

The committee will continue with its collection process in fiscal year 2009 with an added emphasis on pursuing collection against an attorney who has been ordered to pay restitution by the Wisconsin Supreme Court, per the recently created SCR 21.16(2m)(c). The fund will also continue to publicize the names of all attorneys who have claims approved against them per SCR 12.11-Confidentiality.

The committee will continue with the development and implementation of its strategic plan:

- Increase awareness of the fund among the public and members of the profession
- Improve the ability of the Fund to identify and pay eligible claims in a timely manner
- Collaborate with the Office of Lawyer Regulation, the courts and relevant State Bar entities to reduce the incidence of dishonest conduct by providing information

to Wisconsin lawyers and judges on the extent of dishonest conduct and their role in reducing the problem of dishonest lawyer conduct.

Respectfully submitted,
