STATE BAR OF WISCONSIN

INSTRUCTIONS

Line 1 & 2. Supreme Court Board Assessments. At the Supreme Court’s direction, the State Bar includes assessments for the two Supreme Court Boards (i.e. Board of Bar Examiners and Office of Lawyer Regulation) with the State Bar membership and assessments statement. They operate under the supervision of the Supreme Court, and inquiries concerning their activities should be directed to the Boards. Judicial class members other than Supreme Court justices and emeritus inactive members (70 and older who have filed a written request for enrollment in the emeritus inactive class) do not pay assessments.

Assessments have been calculated based on your member class. Failure to pay Board assessments will result in the suspension of the lawyers’s Wisconsin law license.

Line 3. Wisconsin Lawyers’ Fund for Client Protection. SCR 12.07 requires every attorney to pay such annual assessments as are necessary to maintain a fund balance of \$250,000. The protection fund committee has determined the assessment shown on line 3 will be required for this fiscal year to maintain that balance. This assessment is based on member class and includes emeritus members. Failure to pay this assessment will result in the suspension of the attorney’s Wisconsin law license. Only lawyers classified as inactive on this statement are exempt from this assessment.

Line 4. Public Interest Legal Services Fund. In 2005, the Supreme Court amended SCR 10.03(5)(a) to require this assessment for all active members. In 2008, the court extended this assessment to include judicial members. In 2025, the court increased the assessment to \$75. See www.wisbar.org/PILSF for additional information.

Line 5. State Bar Dues. Attorneys pay State Bar dues approved by the Board of Governors; emeritus inactive members (70 and older who have filed a written request for enrollment in the emeritus inactive class) are exempt from dues. Your dues have been calculated for you, based on your member class. Inactive membership is not available to members who practice law in Wisconsin. If you need to change your member class, please contact Customer Service at (800) 728- 7788. Failure to pay State Bar dues will result in suspension of the lawyer’s Wisconsin law license.

Line 6. Late Fee. A \$50 late fee will be assessed after the due date.

Line 7. Subtotal of Required Fees. Pay this amount to retain your Wisconsin law license. It is the subtotal of the Supreme Court assessments and State Bar dues.

Line 8. Section and Division Memberships. Your current section and division memberships are indicated with an “x.” To make changes, please cross out sections and mark the boxes for new sections. Members under 36 years of age or during the first five years following admission to the State Bar, irrespective of age, are automatically members of the Young Lawyers Division (with the ability to opt out); out-of-state members are automatically members of the Nonresident Lawyers Division (with the ability to opt out); and members who receive a salary from a government unit may join the Government Lawyers Division. Every member who is 60 years of age or older is eligible for membership in the Senior Lawyers Division. Membership to this division is not automatic. The amount due for your section and division memberships should be calculated and entered on line 8.

Line 9. Wisconsin Law Foundation Contribution. To make a contribution to the Wisconsin Law Foundation, please choose one of the contribution levels and enter your payment on line 9. Contributions are tax deductible. Smaller contributions are also accepted and appreciated.

Line 10. Subtotal. Add lines 7, 8, and 9 and enter the new total on line 10.

Line 11. Optional Dues Reduction Relating to Nonchargeable Activities. Active members admitted to their first Bar on or before April 30, 2023, voting judicial members, and Supreme Court justices can withhold the full reduction; active new members admitted to their first Bar on or after May 1, 2023, senior active members, and inactive members can withhold one-half of the full reduction; non-voting judicial members can withhold two-thirds of the full reduction. The reduction has been calculated for you based on your member class. Emeritus members are not eligible for the reduction as no State Bar dues are paid. See enclosed insert regarding the reduction amount for this year and the determination of activities that are nonchargeable. Members who take the reduction should initial line 11.

Line 12. Total. If you choose to take the reduction, subtract line 11 from line 10 and enter the new total on line 12. If no reduction is taken, enter the amount from line 10 on this line.

Business/Residence/Electronic Information. Article I, Section 1 of the State Bar Bylaws requires members to keep their residence and principal office addresses current at all times. Please review the information and make additions or corrections in the space provided. Be sure to include your email address if available. Business and electronic information (or residence if there is no business) will be used to create your listing on our website using Lawyer Search. The State Bar does not sell phone, fax, or email information.

Trust Account/WisTAF Certificate & Acknowledgments.

Under SCR 20:1.15(i)(4) and (k)(11), failure to complete the trust account certificate and acknowledgments is grounds for automatic suspension from the practice of law in the same manner as for nonpayment of dues.

Section 1. List of Accounts. Please identify the name, address, and telephone number of each financial institution in which you maintain a trust account, fiduciary account, or safe deposit box in Wisconsin. Identify how many of each type of account you maintain by inserting the number of trust accounts, fiduciary accounts, or safe deposit boxes under the box labeled **T**, **F** or **S**. For example, if you have three trust accounts, including an IOLTA, insert “**3**” under box **T**. If you have accounts at more than two financial institutions, please attach a separate list to the Certificate and place a check mark in the box stating that a list is attached. Trust accounts opened after filing this Certificate must be reported on next year’s Certificate.

Section 2. Certifications. Please review this section carefully. All lawyers must check Box **a**. or **b**. Please be aware that more than one certification may apply to your situation. For example, if you have trust or fiduciary account(s) or safe deposit box(es) that are not identified in your law firm’s Certificate of Accounts and are not subject to an exception under SCR 20:1.15(m), you must identify the location of each account or box in Section 1, and check **Boxes c**. and **e**. in Section 2.

Law Firm Certificate: *(Not for use by solo practitioners)* Pursuant to SCR 20:1.15(i)(2), a law firm must file a certificate of accounts with the State Bar on behalf of the lawyers in the firm. **Note:** The Law Firm Certificate of Accounts is available at: www.wicourts.gov/forms1/olr.htm.

Out-of-State Lawyers: An out-of-state lawyer who is licensed in the state in which he/she is primarily practicing is not required to maintain a Wisconsin trust account **if** the state in which the lawyer primarily practices has overdraft notification requirements. [See SCR 20:1.15(b)(2)]. See, **Box f**. in Section 2. However, if this lawyer maintains a Wisconsin trust account, regardless of the fact that it is not required, the lawyer must identify the account in Section 1.

On the other hand, if a lawyer is licensed only in Wisconsin and is handling federal legal matters in another state, the lawyer must comply with Wisconsin’s trust account rules. [See SCR 20:8.5(b)(2)(i)]. If that lawyer accepts funds in trust, he/she must maintain a Wisconsin trust account and identify the account in Section 1 of this form. See **Box g**. in Section 2. If this lawyer does not accept funds in trust, the lawyer should check **Box d**. in Section 2.

Section 3. Acknowledgments: Under SCR 20:1.15(i)(3), lawyers must acknowledge awareness of specific requirements under SCR 20:1.15. Please review the acknowledgments carefully. If you are unfamiliar with the requirements, please educate yourself prior to signing the Certificate and Acknowledgments. These statements may be admissible in the event of an investigation or proceeding relating to your management of trust property.

For further information, please contact the OLR Trust Account Program at olr.trustaccount@wicourts.gov or visit the Trust Account Program web page: www.wicourts.gov/services/attorney/trust.htm

Sections/ Divisions. All available sections and divisions are listed on your form. Your current section and division memberships are already indicated with an X in the checkbox. Please review your selections and for those you wish to continue, do nothing. For those you wish to add, please check the box. For those you wish to discontinue, please draw a line through the name and checkbox. When you have completed your selections, please add the total cost of the memberships to LINE 8 on the front of your statement and add them into your total fees and dues.

Demographics Data. The State Bar of Wisconsin Diversity Task force is requesting that all State Bar of Wisconsin members supply basic demographic information. In the Demographics Data section, please check the box next to each selection that applies to you. Please check all choices that apply. Please send questions regarding the Demographic Data portion of the statement to diversitytaskforce@wisbar.org.

Areas of Practice. Write in your top 5 areas of practice from the choices listed. Also fill in the percentage of time spent practicing in each area, and circle your focus in that area of practice.

Focus of Practice. We recognize that for some areas of practice, the focus of practice will be obvious, e.g., Estate Planning is Transactional/Advising and Torts/Personal Injury is Litigation. But for others, such as Insurance or Labor/ Employment, there are lawyers who do no litigation and others who do only litigation. Rather than list transactional and litigation versions of various areas of practice, we made that a separate question. Please indicate the focus of your areas of practice. Please check all that apply.

Please return this statement with your check or credit card authorization in the envelope provided. If more than one attorney’s fees are paid by company check or credit card, all statements covered must be returned. State Bar dues and Supreme Court assessments are not deductible as charitable contributions but may be deductible as business expenses. Internal Revenue Code section 6033(e)(1) requires certain organizations to notify members that a portion of dues is allocable to lobbying activities. We are uncertain whether the requirement applies to the State Bar of Wisconsin. If it does, this statement will serve as notice that 9.7% of the current State Bar membership dues payment and either \$11.00 for lobbying or \$4.00 for the lobby LITE program of certain section dues, noted on the statement with an asterisk, relate to lobbying and would not be deductible.
