
**7/68 B Part-time corporation counsel in
criminal cases**

The Ethics Committee concluded that in those counties in which the part-time corporation counsel is not required by county ordinance to assist the district attorney in the investigation and prosecution of criminal cases, ordinance violations and paternity proceedings, both his private law partners and himself may accept the defense of such actions. If he is required to assist, then his partners and himself may not accept such defense work. (7/15/68)
