

STATE of WISCONSIN

OFFICE of the GOVERNOR

Proclamation

WHEREAS; Healthcare Decisions Day is designed to raise public awareness of the need to plan ahead for health care decisions related to end-of-life care and medical decision making whenever patients are unable to speak for themselves, and to encourage the specific use of advance directives to communicate these important health care decisions; and

WHEREAS; it is estimated that only about 20 percent of Wisconsin citizens have executed an advance directive, and less than 50 percent of severely or terminally ill patients have an advance directive, likely because there is a lack of knowledge and considerable confusion about advanced-care planning; and

WHEREAS; Healthcare Decisions Day serves to encourage health care facilities to participate in a statewide effort to provide clear and consistent information to the public about advanced-care planning, as well as to encourage medical professionals and lawyers to volunteer their time and efforts to improve public knowledge and increase the number of Wisconsinites with advance directives; and

WHEREAS; the State Bar of Wisconsin, the Wisconsin Medical Society, and many other organizations throughout Wisconsin have endorsed this event and are committed to educating the public about the importance of health care choices and completing advance directives;

NOW, THEREFORE, I, Scott Walker, Governor of the State of Wisconsin,
do hereby proclaim Tuesday, April 16, 2013, as

HEALTHCARE DECISIONS DAY

throughout the State of Wisconsin, and I commend this observance to all of our citizens.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Wisconsin to be affixed. Done at the Capitol in the City of Madison this 11th day of April 2013.

SCOTT WALKER
GOVERNOR
